

Part-Time Smart Station Attendant

Badger State Ethanol is seeking a highly motivated person to attend to the Monroe Smart Station. This is a part-time position encompassing approximately 1 to 2 hours per day including week-ends & holidays. The successful candidate will be trained to access and run reports and maintain the station with daily activities including filling windshield washer containers and emptying the trash containers.

You can print an application form from this website:

badgerstateethanol.com

or apply in person at:

820 West 17th Street

between 7:00 AM and 4:00 PM.
