COLOURFUL

Deze unieke collectie bestaat uit een grote diversiteit aan vormen en maten welke onderling goed te combineren zijn. Deze collectie wordt namelijk op een zelfde wijze geproduceerd. De producten zijn waterdicht, vorstbestendig en voorzien van een UV bestendige lak. Ook is een groot deel te voorzien van zwenkwielen waarvan de meeste verzonken, hierdoor zijn de wielen niet zichtbaar.

 Recycling

Deze in Europa geproduceerde collectie heeft als grondstof gerecyclede Polystyrol kunststof (PS), hierdoor zijn de producten uit deze serie ook na gebruik weer volledig recyclebaar.

 Kleurmogelijkheden

Naast 10 standaard RAL kleuren kan deze collectie in iedere gewenste kleur geleverd worden. Er kan een keuze gemaakt worden tussen een Structuur-, Mat- of Hoogglanslak. De toegepaste lakken zijn water gedragen.

Diese hochwertigen Pflanzgefäße werden in Europa gefertigt. Die Pflanzgefäße werden aus starkem und komplett recycelbarem Polystyrol gefertigt. Die Pflanzgefäße sind frostbeständig und wasserdicht. Die Lacke sind UV-beständig. Der untere Rand der Pflanzgefäße verhindert den Blick auf die Rollen, sofern diese verwendet werden.

 Recycling

Die Gefäße werden aus recyceltem Polystyrol hergestellt und können wieder recycelt werden. Diesen Umweltgedanken hat das Unternehmen aufgegriffen und verfeinert.

 Farben

Sie können aus 10 Standard-Farben wählen. Jede andere Farbe bieten wir Ihnen mit einem Aufschlag an.

This collection contains a large variety of designs and sizes which can be combined perfectly. The products are watertight, frost resistant and the lacquer is UV resistant. For a main part of the collection wheels can be supplied which can be fixed invisibly.

 Recycling

This European produced collection is made out of recycled Polystyrene (PS) which is fully recycle after usage.

 Colour options

Please be advised that beside the 10 standard RAL colours, the products can be delivered in any color. All based on water based lacquer. Various finishes are possible, such as structure, high shiny and mat.
