

The Seweri range of high-quality drain cleaning tools offers best-in-class lifespan and has been developed in partnership with customers to ensure a perfect fit.

All Seweri tools are manufactured from the highest quality stainless steel and carbide, to withstand the most challenging of conditions in use.

Seweri[®]

Seweri design, engineer and manufacture their own innovative range of tools, with over 10 years' experience in the drain cleaning industry. All Seweri[®] products are handmade in Finland with meticulous precision.

Source One Environmental also distributes the Renssi[®] range of similar products, manufactured from carbide.

Stainless Steel Chain Knockers

- Stainless Steel tool with solid carbide inserts
- Special design of inserts for effective cleaning of rust and dirt and/or as preparation for lining
- 1 - 3 chains depending on the tool size
- Not to be used with a hydraulic rotator

Selecting the correct Chain Knocker - Product codes (all codes begin with DCSS for Drain Cleaning - Stainless Steel)

WS-(16)-1050(/2)-3-DR

Product Type:
RS = with allen key connector
RS-T & RSM = with t-slide connector

Adaptor diameter
in mm: for WS-T & WC-T products only

Cable dia. ø:
1 = 8mm
2 = 10mm
3 = 12mm

Pipe diameter, so the pipe will clean efficiently without damage to it

Number of chains:
3 is standard: nothing shown here if 3 supplied.
/1 or /2 - denotes 1 or 2 chains only

Additional information:
DR = drill head feature.
DR40 = 40mm drill head

Thickness of chain:
3 = 3.6mm
4 = 4mm
5 = 5mm
4X = 4mm, chain can be changed

Chain Knockers - Product Range

1000WS Series - 8mm cable connection, 3mm chain

Part Number	Description
DCSS-WS-1050/2-3	35-50mm (2 chains)
DCSS-WS-1050-3	35-50mm (3 chains)
DCSS-WS-1075/2-3	50-75mm (2 chains)
DCSS-WS-1075-3	50-75mm (3 chains)
DCSS-WS-1100-3	75-100mm (3 chains)
DCSS-WS-1150-3	100-125mm (3 chains)

3000WS Series - 12mm cable connection, 5mm chain

Part Number	Description
DCSS-WS-3075-5	50-75mm, (3 chains)
DCSS-WS-3100-5	75-100mm (3 chains)
DCSS-WS-3150-5	125-150mm (3 chains)
DCSS-WS-3200-5	180-200mm (3 chains)
DCSS-WS-3250-5	220-250mm (3 chains)

2000WS Series - 10mm cable connection, 4mm chain

Part Number	Description
DCSS-WS-2075-4	50-75mm (3 chains)
DCSS-WS-2100-4	75-100mm (3 chains)
DCSS-WS-2150-4	125-150mm (3 chains)

Inch Series - UNC thread, 4mm chain

Part Number	Description
DCSS-WS-1-75-4	50-75mm (3 chains)
DCSS-WS-1-100-4	75-100mm (3 chains)
DCSS-WS-I-150-4	125-150mm (3 chains)
DCSS-WS-I-200-4	180-200mm (3 chains)

3000WS Series - 12mm cable connection, 4mm chain

Part Number	Description
DCSS-WS-3075-4	50-75mm, (3 chains)
DCSS-WS-3100-4	75-100mm (3 chains)
DCSS-WS-3150-4	125-150mm (3 chains)
DCSS-WS-3200-4	180-200mm (3 chains)

Chain Knockers - Cont'd.

1000WS-DR Series - 8mm cable connection, 3.6mm chain with drill head

Part Number	Description
DCSS-WS-1050-3-DR	35-50mm (3 chains), drill head
DCSS-WS-1075-3-DR	50-75mm (3 chains), drill head
DCSS-WS-1100-3-DR	75-100mm (3 chains), drill head
DCSS-WS-1150-3-DR	100-125mm (3 chains), drill head

3000WS-DR Series - 12mm cable connection, 3.6mm chain with drill head

Part Number	Description
DCSS-WS-3075-3-DR	50-75mm (3 chains), drill head
DCSS-WS-3100-3-DR	75-100mm (3 chains), drill head
DCSS-WS-3150-3-DR	125-150mm (3 chains), drill head

2000WS-DR Series - 10mm cable connection, 3.6mm chain with drill head

Part Number	Description
DCSS-WS-2075-3-DR	50-75mm (3 chains), drill head
DCSS-WS-2100-3-DR	75-100mm (3 chains), drill head
DCSS-WS-2150-3-DR	125-150mm (3 chains), drill head

DR40 Series - 12mm cable connection, 3.6mm chain with large drill head

Part Number	Description
DCSS-WS-3100-3-DR40	75-100mm (3 chains), drill head
DCSS-WS-3150-3-DR40	125-150mm (3 chains), drill head
DCSS-WS-3200-3-DR40	180-200mm (3 chains), drill head

Circular Chain Knockers - Product Range

1000-WC Series - circular chain knocker, 8mm cable connection, 4mm chain

Part Number	Description
DCSS-WC-1075-4	50-75mm (1 chain)
DCSS-WC-1100-4	75-100mm (1 chain)

3000-WC Series - circular chain knocker, 12mm cable connection, 4mm chain

Part Number	Description
DCSS-WC-3075-4	50-75mm (1 chain)
DCSS-WC-3100-4	75-100mm (1 chain)
DCSS-WC-3150-4	125-150mm (1 chain)
DCSS-WC-3200-4	180-200mm (1 chain)
DCSS-WC-3250-4	225-250mm (1 chain)

3000-WC Series - circular chain knocker, 12mm cable connection, 5mm chain

Part Number	Description
DCSS-WC-3100-5	75-100mm (1 chain)
DCSS-WC-3150-5	125-150mm (1 chain)
DCSS-WC-3200-5	180-200mm (1 chain)
DCSS-WC-3250-5	225-250mm (1 chain)

WC Inch Series - circular chain knocker, UNC male thread, 4mm chain

Part Number	Description
DCSS-WC-1-75-4	50-75mm (1 chain)
DCSS-WC-1-100-4	75-100mm (1 chain)
DCSS-WC-1-150-4	125-150mm (1 chain)

1000WSM Series - circular chain knocker, 8mm cable connection, 3.6mm chain with smaller heads

Part Number	Description
DCSS-WSM-1050/1-3	35-50mm (1 chain)
DCSS-WSM-1075/1-3	50-75mm (1 chain)
DCSS-WSM-1100/1-3	75-100 mm (1 chain)

WCC-X4 Series - changing sleeve and chain kits

Part Number	Description
DCSS-WCC-40	Changing sleeve for 12mm cable, body for interchangeable chains
DCSS-WCC-100-X4	Chain, 75-100mm pipe (4 chains)
DCSS-WCC-150-X4	Chain, 125-150mm pipe (4 chains)

1000-WCNT Series - circular chain knocker with carbide coating, 8mm cable connection, 4mm chain

Part Number	Description
DCSS-WCNT-1075-4	75-100mm (1 chain)
DCSS-WCNT-1100-4	100-125mm (1 chain)

3000-WCNT Series - circular chain knocker with carbide coating, 12mm cable connection, 4mm chain

Part Number	Description
DCSS-WCNT-3075-4	50-75mm (1 chain)
DCSS-WCNT-3100-4	75-100mm (1 chain)
DCSS-WCNT-3125-4	100-125mm (1 chain)
DCSS-WCNT-3150-4	125-150mm (1 chain)

Cleaning Machine

- Rotational machine to power your cleaning tools, such as chain knockers
- Machine comes with drill, CLT-001 clutch and 10 meters of 10mm cable, all included.

Cleaning Machine - Product Code

Cleaning Machine

Includes drill, clutch & 10m cable

Part Number	Description
DCRCM-10	Cleaning Machine

Adjustable Clutch

- Shuts the drill down if the tool becomes stuck.
- Prevents injury and damage on-site.
- Attaches to most makes and models of drill with no adjustment or adaptors.

Adjustable Clutch and spare parts

Part Number	Description
DCCLT-001	Clutch

Includes sleeves for 8mm, 10mm and 12mm cables, and clutch keys. Drill sold separately.

Part Number	Description
DCCLT-25-002-S	Male t-slide adaptor
DCCLT-25-014	Adaptor for 14mm cable
DCCRS-011	Clutch rotator shaft

Adaptors & Accessories - Product Range

Whips

Flexible cable extensions, fit straight onto cable protector sleeves

Part Number	Description
DCRA-08-WHIP	For 8mm cable
DCRA-10-WHIP	For 10mm cable
DCRA-12-WHIP	For 12mm cable

Hexagonal Rotator Shafts - for drill chuck

Part Number	Description
DCSS-WA-16-008-011	Connects 8mm cable
DCSS-WA-16-010-011	Connects 10mm cable
DCSS-WA-16-002-011	16mm t-slide male
DCSS-WA-20-012-011	Connects 12mm cable
DCSS-WA-20-002-011	20mm t-slide male

Cable Adaptors - 16mm

Part Number	Description
DCSS-WA-16-001/20-002	Adaptor from 16mm female to 20mm male t-slide

Drill Heads

Part Number	Description
DCSS-WD-08	For 8mm cable
DCSS-WD-10	For 10mm cable
DCSS-WD-12	For 12mm cable

Cable Adaptors - 20mm

Part Number	Description
DCSS-WA-20-001/16-002	Adaptor from 20mm female to 16mm male t-slide

Cable Covers - PEX cover

Part Number	Description
DCCOV-RCC-8	For 8mm cable
DCCOV-RCC-10	For 10mm cable
DCCOV-RCC-12	For 12mm cable
