Lucy Cavendish College Strategy to 2020

"During 2016-17 we have been working on the College Strategic Plan to identify the best approaches to meeting the challenges for the next 3-5 years, while setting the foundations for the College in the longer term. This information sheet summarises the strategic direction of the College, and the Governing Body looks forward to working with the whole College community to enable us all to support our ambitions for the future."

College President, Jackie Ashley | January 2018

"We are a dynamic and inclusive community where talented women over 21 can achieve an excellent Cambridge education or conduct high quality research in a modern and intellectually stimulating environment that champions women's education and development"

College Fellow Dr Jane Davies | January 2018
