ABOUT US

— In 2001 this Victorian treasure was re-opened following an amazing local campaign resulting in the formation of the Sefton Park Palm House Preservation Trust, the charity which now runs the Palm House.

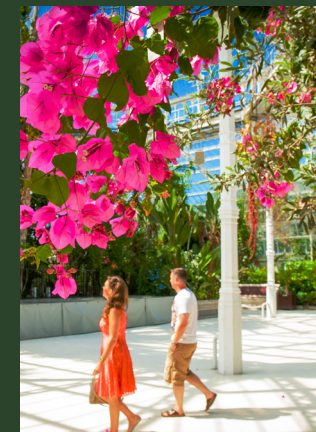

— Although public grants were secured to refurbish the Palm House, the Trust has to generate the income we need to look after the building whilst delivering an extensive community and arts programme.

— The Palm House showcases an amazing variety of plants from all over the world, including some specimens no longer growing in the wild.

— Entry to the Palm House and grounds is free and it is open to the public throughout the year.

— Our programme of events and activities are developing all the time. Join us now and influence the direction of Your Palm House.
