

ARCOY INDUSTRIES (INDIA) PVT. LTD.

Your partners in corrosion prevention

Products at a Glance

Industrial & Marine Coatings

For excellent defense against corrosive environment

1. RUST CONVERTOR

Arclean

2. EPOXY BASED PRIMERS

Arcozinc : Epoxy based Red Oxide Zinc Phosphate /
Zinc Chromate based Primer

Arcozinc : Epoxy RCC Primer

(Transparent)

Arcozinc Rich : Epoxy High Solid 92% Zinc Dust Primer
Primer

Arcozinc (SP) : Epoxy based Red Oxide Primer

Arcozinc - M : Surface Tolerant Epoxy Mastic Primer

Arcozinc Rich (SP) : Epoxy based Shop Primer

3. INORGANIC ZINC SILICATE PRIMER

Arcozinc Silicate : Inorganic Zinc Silicate based Primer
Primer

4. EPOXY BASED INTERMEDIATE COATING

Arcomediate MIO : Epoxy based Intermediate MIO Coating

5. EPOXY BASED TOP COATS

Arcoat : High build solventless Coating

Arcolite : Solvent based Epoxy Coating

Arcoat-CT : Epoxy based Coal -Tar Coating

Arcolite - M : High Solid Moisture Tolerant Self-Priming Epoxy Coating

6. EPOXY BASED GLASS FLAKE COATING

Arcoflake : Epoxy based Glass flake Coating

7. POLYURETHANE BASED COATING

Arcoset PU 9K : Acrylic based Aliphatic isocyanate cured Polyurethane Coating

Arcoset PU 10K : Acrylic based Aromatic isocyanate cured Polyurethane Coating

Arcoset PU 11K : Alkyd based Aliphatic isocyanate cured Polyurethane Coating

Arcoset PU 12K : Alkyd based Aromatic isocyanate cured Polyurethane Coating

Industrial & Marine Coatings

For excellent defense against corrosive environment.

8. CHLORINATED RUBBER BASED COATING

Armarine 35A

High build Primer : Chlorinated Rubber based Zinc Phosphate Primer

Armarine 35A : Chlorinated Rubber based Coating

Armarine 35A HBF : High Build Chlorinated Rubber based Coating

9. ALKYD BASED SYNTHETIC ENAMEL

Arcosyn Primer : Synthetic Red Oxide Primer

Arcosyn : Alkyd based Synthetic Enamel

Arcosyn Primer (SP) : Alkyd based Red Oxide Zinc Phosphate Primer

10. HEAT RESISTANT COATING

Arcominium : Aluminium based Coating

Arcominium (SP) : Silicon based Coating

11. EPOXY BASED SELF - LEVELLING FLOORING

Arcofloor-ESL Primer : Epoxy based Self-levelling Primer

Arcofloor-ESL : Epoxy based Self-levelling Material

12. THINNERS

• Epoxy • Polyurethane • Chlorinated Rubber • Synthetic

All the Top coats are available in various colours as per our shade card.

**CORROSION
NO ENTRY**

If you have any query or need a detailed technical literature of our product, please feel free to contact our Technical Department. We will be more than glad to be of your assistance.
