

A Better Outcome *for Everyone*

After a long hospital stay, the first instinct for most patients is to return home as quickly as possible. But this may not always be the best option. Once at home, even everyday tasks may feel overwhelming – and trying to take on too much too soon could hinder the recovery process.

A retreat at Atria Senior Living offers an ideal setting for older adults to regain their strength and avoid a return visit to the hospital. Our all-inclusive services enable guests to receive the support they need in a fulfilling, stress-free environment – with no pressure to sign a long-term agreement.
