

THE NEW ORCA WATER/ SAND BAG

MODEL : OR-81 / 81B

OR-81:

The new Orca sand/ water bag* (81B), Was designed to help carrying Sand bags to any location.

The bag is made from durable material with extra reinforce binding straps.

Features dual layers of hook and loops fastener, to avoid any sand leakage.

OR-81B:

How many times have you needed a sand bag and due to the fact it was too heavy to fly with you purchased one locally and left it on location?

Orca R&D Team developed a new solution for easy transporting the "sand bags" to any location by using a special Durable and easy to handle water bladders.

Each water bladder contains up to 3 Liters/0.79 Gallons = 3Kg/6.6LB (up to 6Kg for both sides)

Please note: The OR-81B sells separately*
