

# Riverside Kindness Week 2017

Monday we celebrated Kindness Day with the whole school wearing odd socks! This was to show how we are all 'unique', but kindness unites us all.

(It also tied in with UK anti-bullying week)

We are all unique! (just like our socks...)

**DM** you know...

- everyone of us has our own unique fingerprint?
- everyone of us has unique eyes?
- the hairs on your head are unique?
- we all have our own unique personality?
- we all have our own unique voice?

## Monday

- Parachute Games at lunchtime
- Poster Competition starts
- Kindness postbox starts
- Teacher kindness catches

## Tuesday

- Team Games at lunchtime
- Kindness postbox
- Poster Competition
- Teacher kindness catches

Monday also saw Student Council lead parachute games for the whole school. Children could come if they felt that they needed a friend to play with.

New this year, we ran a Kindness Postbox, which saw the children deliver 'Warm Fuzzies' every day of Kindness Week. Letters were posted all around school; Parents, staff and children all took part!

Throughout the week, staff also had a Kindness Shout-outs' board in the Staff Room!

Year 5 also led an Inquiry session, where the children were posed the question 'What colour is kindness?' Our principal even weighed in on the debate! 😊
