

Notice to Mariners & Fishermen

In exercise of its rights under Seaward Production Licence. No P2235, originally granted by the Secretary of State for Energy and Climate Change, Corallian Energy Limited shall be carrying out exploration operations east of Lybster, Caithness.

A Jack-Up Drilling Rig ENSCO 72 ("the rig") will be stationed between ~7th Dec 2018 to ~31ST January 2019 in the Licenced Area at:

Latitude 58° 17.238 N

Longitude 03° 12.332 W

WGS84

In terms of section 21 of the Petroleum Act 1987 a Safety Zone shall automatically be established which shall extend to every point within 500 metres of the rig, from seabed to surface until the rig's departure.

The location of the Safety Zone is illustrated below.

It is an Offense for any unauthorised vessel to enter the Safety Zone.

Duly authorised support, emergency response and rescue vessels and ROVs will be operating within the Safety Zone. To protect fishermen and other mariners by preventing gear becoming snagged on vessels or underwater equipment, **any static fishing gear must be removed from the Safety Zone** by its owner or the person in control of it not less than 48 hours prior to the rig's scheduled arrival.

In the event that any static fishing gear remains in place within the Safety Zone at 12:00hrs 5th December 2018 the gear will be removed without further notice.

Corallian Energy Limited accepts no responsibility for any losses or damage sustained in respect of any fishing gear left within the Safety Zone beyond ~7th December 2018.

Any queries regarding the Safety Zone should be directed to: info@corallian.co.uk
