Letter from the Editor

Hello! I'm over here now. Happy new year, and welcome to our slightly-slimmed-down Honeybourne Village News. I'm hoping that by reducing the number of pages in the magazine we can save a bit of money on printing, as that is really our biggest outgoing every year. I'd like to thank the Parish Council though for their very generous contribution to the production of the village News, as it wouldn't be sustainable without their help.

I hope the new layout of the magazine isn't too small for people. I know that some struggle with the text size, so I have kept it all as big as I can while still making space for things. Please let me know if you find it difficult to read. As always, I appreciate your views. It takes a lot of people to put this together, so please be patient while we see how it goes for a few months.

If you would like to download a digital copy of the magazine please go to the village website, or email me.

Wishing everyone a happy and healthy 2018,

Claire Poore, Editor, magazine@honeybourne.org.uk 01386 832800

Honeybourne Parish Council News

Parish Precept

At the December Parish Council meeting the council agreed the budget expenditure for the 2018-19 financial year. The budget is the general expenses of the council's regular business and any project expenses are finally agreed when setting the parish precept with knowledge of the council tax base number, which calculates the actual tax per house. Projects under consideration are the new Community Centre support funding and the refurbishment of the village telephone kiosk and updating streetlights. Anyone wishing to make comments or question the council is welcome to attend the January 9th meeting and address the council in open forum.

Telephone Kiosk

The Parish Council are seeking volunteers to tidy up the High Street telephone kiosk. Having received a quotation of £3,000 for a full refurbishment the council considered this expense is counterintuitive, as the Community Centre must take preference on project funding. The kiosk needs a good clean both inside and out and perhaps fitting some simple shelves for a book exchange and information centre. Anyone interested in helping with the work or help fund paid cleaners would be most appreciated, please contact the Clerk for further information.

Green Waste Bin

A parishioner's request to have a green waste wheelie bin (brown bin) placed at the cemetery was fully investigated by the Parish Council and unfortunately the logistical problems outweighed the advantages and the suggestion was not approved by the council.

Traffic Speed, Pelican Crossing and Roundabout

Following on from the responses on traffic calming and speeding from our MP Nigel Huddleston and Ward Member Cllr Alastair Adams, Councillors wish to request the County Council to install a pelican crossing on Station Road between Dudley Road and the Gate Inn cross roads to improve road safety for parishioners crossing the busy section of Station Road. A further request will be made to install a mini roundabout at the Gate Inn cross roads to slow down traffic entering the village from the south. The request will be made through Cllr Alastair Adams whose support is needed to enable the schemes to be considered by the County Council officers. Please show your support for these schemes by emailing Cllr Alastair Adams adding your support and comments. Alastair's Email: adams.pebworth@gmail.com

Christmas Tree Event

Thanks to all the 250 plus villagers who attended the very successful event, the Bretforton Choir who led the carol signing and the school children who joined in to make a memorable event. Despite the short power failure and running out of mulled wine everyone enjoyed the gathering and supported the fund raising for the new Community Centre. Added to the funds raised on the night the Tree Light sponsorship was again very well supported along with the raffle which many local businesses supported by donating the many valuable prizes for the raffle. A full financial report will follow when all the funds are accounted for, an early indication shows over £1,000 will be passed to the Village Hall committee to support the short fall in lottery funding the new Community Centre.

The Parish Council meets on the 2nd Tuesday of each month. Members of the public are welcome to attend meetings, which are held in the Village Hall and commence at 7.15 pm. Residents are welcome to speak on any issue of local concern during the Open Forum before the start of the meeting.

Clerk John Stedman

1, Ban Brook Road, Salford Priors, Evesham, Worcs, WR11 8XE Tel 01789 773999:
E-mail: j-stedman@btconnect.com

The Parish Office is open generally all day 10.00 am to 6.00 pm including weekends for all parish enquiries. Email is my preferred communication but my telephone is manned almost all day. The answer phone is on, but please ensure you state your business is with Honeybourne as my phone serves other Councils and my own business.

For up to Date Council information Visit www.worcestershire.gov.uk/MyParish and then link to Honeybourne

December 9th was our second movie night at the village hall, and despite the bad weather an enjoyable night was had by all those who ventured out. Spiderman (The Homecoming) was screened which was an exciting story of good overcoming evil.

Refreshments including local icecream was served during the interval.

Our next film will be "Dunkirk", which will be shown on Saturday 13th January at 7.30pm.

Tickets are selling fast.

Letter from the Vicar

New Year, new beginnings

I approach the New Year with a mixture of excitement, anticipation and with a bit of nervousness! I look forward to it. I love looking at my new diary, not yet full with commitments, and wondering what events will fill its pages. Some will be happy, things to really look forward to, and some, of course, will be sad.

When I feel that twinge of nervousness, which many of you may relate to, I turn to these words, written many thousands of years ago by the Old Testament Prophet Jeremiah,

“For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope. Then when you call upon me and come and pray to me, I will hear you. When you search for me, you will find me; if you seek me with all your heart...” Jeremiah 29: 11-13 (NRSV)

and those words fill me with hope. God is Sovereign and whatever the year ahead has in store for us, we can be absolutely confident that God will be with us. This is good news for us as individuals and for our villages and communities. Over the last six months that I’ve been with you as your Vicar, I have a growing sense that God has good and positive plans for our churches and communities. There is something for us to do, though, and Jeremiah sets it out clearly. We are to be a people who pray and who seek God and His will. And what happens when we do those things? In Jeremiah’s words, God will hear us and we will find Him if we seek Him with all our hearts.

In his Christmas Broadcast to the Empire in 1939, a year overshadowed with troubles of the worst kind, King George VI quoted these words from a poem by Minnie Louise Haskins,

‘And I said to the man who stood at the gate of the year:

“Give me a light that I may tread safely into the unknown.”

And he replied: “Go out into the darkness and put your hand into the Hand of God. That shall be to you better than light and safer than a known way.”

So I went forth, and finding the Hand of God, trod gladly into the night.’

What wonderful words. Even when we walk into the darkness of uncertainty, we do not walk alone. God is with us – that Good News is at the heart of the message of Christmas, the coming of our Saviour, Jesus Christ, so recently celebrated and so fresh in our minds.

So, I encourage you in the year that lies ahead to ‘put your hand in the Hand of God’ and, if I can help and support you in anyway, regardless of whether or not you come to church, please let me know.

I wish you a very Happy New Year.

With love,

Scott

CHURCH NEWS
 October/November 2017

Deaths – Mrs Joan Hayball
 Marriages – Rob and Sarah Dunbar
 Baptism – George Joseph Miller

+++++

Dear Friends

A very big thank you to everyone who came and supported the Christmas Fayre on the 25th November, your kindness in helping us raise funds for the Church is much appreciated.

The Crib Service falls this year on a Sunday which is Christmas Eve at 2.30pm. To make this a special service if your little ones would like to dress up as Crib characters we would love to have them in Church.

So to all budding Angels; Shepherds; Wise Men and of course Sheep bring your Mums and Dads along to our Crib Service.

Details of all services within our team churches will come to all in the Christmas Card.

We wish you all a Happy Christmas

Mary Miller Churchwarden – 01386 831998

A One-mile Circular Walk within the village

This route is clearly signed.

Sturdy shoes or boots are recommended.

Start at The Gate Inn car park and walk to your left passing the gates and footpath sign on your left. Look across the road to locate the footpath sign on the opposite side of the road. TAKE GREAT CARE to cross the road, and then follow the footpath down a narrow alleyway. This leads you onto High Street. Turn left and walk to the telephone box. Cross the road and follow the signed track to the right of the old garage. After 60 metres turn right and follow this hedgerow to the far left-hand corner of the field. Over the footbridge and follow the footpath with the new houses and playground on your left until you reach the steel pedestrian gate on the right-hand side next to the first house.

Through the gate and turn left to the crossing point (tactile dimpled paving). TAKE GREAT CARE to cross this road. Straight on up the "Footpath" alleyway until you pass between houses and reach the next road. Turn right and walk up the cul-de-sac, bearing left to the pathway between the bungalows in the far left-hand corner. Follow this alleyway until you emerge onto Stratford Road.

Turn left and then TAKING GREAT CARE cross the road at the Church noticeboard, following the sign to the Church (do not pass between the white pots). As you pass through the Church kissing-gate, immediately turn right and follow the path to the gap into the field. Continue to the gated bridge; then straight on to the next gate. Turn right and you are back at the start of this walk.

We hope you have enjoyed your walk today, and that we have whetted your appetite for a variety of future walks during 2018* using the Public Rights of Way (PROWs) in the Parish of Honeybourne.

Email steve@stephenbullen.com for copies of any walks, to express concerns, or seek advice on how to best enjoy Honeybourne's PROWs.* A great way to gently improve your fitness and wellbeing, whilst appreciating the beautiful countryside in which we live.

One Man and His Dog

At last, after years of training and exceptional patience, Sorrel, a flat-coated retriever proved that dedication and a working relationship with her trainer Graham Clelland pays dividends by winning a Novice Cup in Field Eventing.

A handsome and intelligent beast (Sorrel, not Graham), she worked hard to obtain this award in a very competitive sport where the judging is fair but critical of both dog and handler.

Graham and Sorrel will now be able to go on to greater eventing and we wish them well.

You can often see the pair walking along Station Road; stop and ask the difference between flat-coats and other retrievers and Graham will be only too pleased to enlighten you!

Honeybourne Wednesday Club

The Christmas meeting was held on the 6th of December 2017 when 28 members attended. Birthday cards were distributed and then the minutes of the last meeting was read by the secretary. It was commented that all those who went on the ten pin bowling trip organised by Win had a thoroughly enjoyable time. Thanks Win.

The Christmas raffle was £1.00 a ticket, which meant that everyone had a prize. Christmas cards were given out during the meeting.

Rev Scott, the vicar came along to conduct the Carol Service and we invited his wife, Ros, who introduced herself. I think she may even have enjoyed the meeting and who knows may even become a new member!!

Each year the Wednesday club donate to a Charity. This year it was the local Sea Cadets and their leader Sue Adams came along to the meeting later to receive the cheque. She was accompanied by two cadets, one junior and a senior who both gave excellent reports of what they do (sorry I'm not good with names and often get them wrong so opted out of their names but know they are brothers and a very proud mother came with them!)

Once again the members were in fine voice for the carol singing with the vicar arranging the musical accomplishment. A vote of thanks was given by Peggy Miller. Cakes for refreshments in January are Barb Sadler, Ann Banbury and Helen Dorman. Apologies for any incorrect spelling of names. After tea and mince pies, and loaded down with raffle gifts, the members made their way home.

Merry Christmas and Healthy New Year from the committee.

Upcoming Films for Honeybourne Movie Nights are:

February 10th – Victoria and Abdul
(Amazon release date 22 January)

March 10th – Paddington 2

April 14th – Murder on the Orient Express

News from your District Councillor & County Councillor Alastair Adams

January 2018

WISHING YOU A VERY HAPPY NEW YEAR

I hope you all had a great Christmas, and are looking forward to 2018. Let's all wish that the New Year will bring peace, happiness and good fortune to all mankind. Here is the news from the District Council, and the County Council

Congratulations to the Village Hall Committee - The Honeybourne village hall committee has been successful in obtaining over £400,000 towards the new Community Centre. This is fantastic news, and although more monies are needed, it has jet propelled this project to becoming a reality sooner rather than later. Full planning application will be submitted to Wychavon District Council at the beginning of 2018, and hopefully everything will be approved shortly afterwards. The new building will be built on the Taylor Wimpy site - just off Weston Road. As part of the original planning for the Grange Farm/Fair Acres site, I managed to negotiate with Taylor Wimpy to supply the land free of charge for the new community centre, which was then written into the development agreement. So obtaining the Big Lottery funding is great news for the village, and I personally thank the team that put in the bid for all their hard work – I know it was a lot of effort but has proved well worthwhile, and this is a great start to 2018 for the Honeybourne.

Superfast Broadband to Ullington & Buckle Street - There was a collapsed BT duct that had to be repaired in Front Street, Pebworth, and emergency work occurred to replace this duct the week before Christmas. Ullington residents will be able to sign up for Superfast Broadband and get their houses connected to fibre at the beginning of 2018.

More Parking at Honeybourne Station - I have been informed that good progress is being made by Wychavon District Council to build more parking spaces. So watch this space.

Planning

1. Planning Application 17/02263/FUL Land At Perrie Drive, Honeybourne for nine new dwellings – consultation on this application closes on 3rd January 2018, so if you want to object to it, please make sure you write your comments on the planning portal <https://plan.wychavon.gov.uk/> and type in the reference 17/02263. Even if you miss the deadline date, you can still write in as they usually accept late comments. I strongly oppose this application as it will remove the green open space that has been used by residents for many years. I am pleased to see so many residents have already written into oppose this application, but the more the better, so please help stop this unwanted and unneeded development, and help protect our open spaces by opposing this application.
2. Planning Application 17/02147/OU Land off High Street Honeybourne – to remove compliance with conditions 19 and 21 – this site already has planning approval but the developers are trying to remove conditions 19 & 21 which I opposed at the planning committee on 14th December. What looks relatively innocuous request is in fact a typical example how developers chip away at conditions to make sites more profitable or to improve their cash flow often at the detriment of the residents. There was very good reason why condition 21 was imposed initially. As everyone knows this part of the High Street floods, and the raised pavement is the only route to connect the two sides of the village. So if the developers get approval to remove condition 19& 21, then in theory they can demolish part of the raised pavement, and not construct the new entrance and flood alleviation scheme until the first house is sold. In the meantime, if there was flooding, this would cut off the two sides of the village to pedestrians. Luckily the planning committee members recognised this, and have delayed making any decision until more information is made available on how the developer is going to gain access to the site during construction. A site visit has been arranged next month so the committee members can see the problem themselves, and then make a decision.

Highways

1. Mickleton Rd, Honeybourne– New weight limit to stop HGV's using this rural road as a rat run. The legal process has been started by Gloucestershire County Council so hopefully the weight limit will be imposed by the middle of 2018.
2. Road over Honeybourne Station Bridge - Repairs have been carried out by Highways to the subsidence of the road. A proposal is going forward looking to extend the existing traffic lights to increase the length of carriageway narrowed to one lane by approx. 20m. This will bring the heavy lorries away from the edge of the embankment which is causing the slippage.

3. Winter Gritting – Last month we saw the gritting lorries out clearing the roads during the snow. Just a reminder to drive carefully and beware of ice.

As always, if you have any issues on any Highways matters, please report it on the WCC website http://www.worcestershire.gov.uk/homepage/98/report_it Also remember a photo of the Highways problem is as good as “a thousand words” so always take a photo where possible.

Divisional Fund

If you run a local Community organisation and need a grant for some vital equipment or service, then please feel free to apply for one from the Divisional Fund by contacting me at adams.pebworth@gmail.com

Your District & County Councillor, Alastair Adams can be contacted on adams.pebworth@gmail.com or mobile 07725 979 277 or www.alastairadams.org

SportHoneybourne

www.sporthoneybourne.org.uk is the website where you can quickly find your favourite sports and exercises.

Local clubs and classes are all listed, so you have direct access to view their activities. Also, the latest national news feeds are available here for most popular sports.

Is your particular interest Skating?

If so, enter the website and select “Other”, and then select “Skating”.

Or is it Bowling?

If so, enter the website and select “Ball”, and then select “Bowling”

Anything missing?

What will you do today?

Maybe set a Personal Best (PB), however short or slow. We can all do just a little more to improve our health and fitness.

Need help or support? Contact Steve who will be only too pleased to help in any way.

Should Sport Relief come back to Honeybourne ?

Sport Relief have a new concept for 2018 (“**Whatever Moves You**”) and have approached me to put on a new event in **Honeybourne** during the week of March 17 to 23.

The event will encourage **our community** to get moving in a whole series of different ways:

- Endurance challenge: cycling, tennis, swimming etc
- A sports match: any sport
- Take on an epic distance: row, cycle, swim as a team
- Tag-team treadmill: epic distance by team e.g. London to Brighton mileage.
- The Nations Billion Steps Challenge

A good idea for Honeybourne?

Let me know your ideas, and your ability to assist and I will then make a decision about accepting this challenge.

Cycle rides in Honeybourne

Everyone is welcome.

Saturday 6th January	Aspire to cycle 10 or 20 miles	2.00pm at Badham Motors
Saturday 13th January	Challenge Hills cycle ride	2.00pm at Badham Motors
Saturday 20th January	Aspire to cycle 20 or 40 miles	2.00pm at Badham Motors
Saturday 27th January	Family cycle ride	2.00pm at the Village Hall
Saturday 3rd February	Aspire to cycle 10 or 20 miles	2.00pm at Badham Motors
Saturday 10th February	Challenge Hills cycle ride	2.00pm at Badham Motors

Congratulations to the Village Hall Committee on securing £400,000 towards the new Community Centre. It looks like plans will be submitted very soon and we might get a new centre for the village in the near future. Well done for all your hard work.

SHORT MAT BOWLS

If you enjoy watching, and perhaps marvelled at the skill of the professionals performing on T.V. why not come along to the Village Hall on Friday evenings (7.30) and have a go yourselves at a somewhat simpler version called Short Mat Bowls.

All equipment is provided the only thing we ask that you wear flat shoes. Trainers etc. are ideal. The cost is £2 per session.
