## Beats Pill XL Speaker Recall Program

Back view

Front view

### Battery Overheating

In rare cases, the battery in the Beats Pill XL Speaker may overheat and pose a fire safety risk. This product has been sold worldwide since January 2014 by Beats, Apple, and other retailers.

If you have a Beats Pill XL Speaker, please stop using it and follow the process below to send it to Apple.

This program only applies to the Beats Pill XL speaker which is shown to the left. The Beats Pill XL Speaker comes in 5 colors: black, white, pink, metallic sky and titanium

Returns are possible by completing a request via Apple website

<http://www.apple.com/uk/support/beats-pillxl-recall/>

### Important: Additional Information

Product returns will only be processed via the web for this program. Please do not attempt to return your product to any location that sells or supports Apple or Beats products
