

Job Announcement Junior Civil Engineer

About Us

Established in Chico, California in 1983, NorthStar is a team of professionals providing designs, plans and solutions in the areas of architecture, engineering, environmental, and surveying.

We exist to develop people who enhance our communities. This is our core purpose; NorthStar embraces the idea that we use our professions to make a positive difference for the clients, the community, and the environment...contributing to a better world.

We live our values of Teamcentric, Learning, and Ownership; more than just consultants, we are an integral part of the communities we serve.

Our success comes from building quality relationships with our clients; providing proactive service; and having an enriched team culture of learning, guiding, and mentoring.

NorthStar benefits include a generous salary, extensive health insurance package, 401(k) matching, vacation and sick pay.

Additional company information can be found on our website www.northstareng.com.
