

General Maintenance Assistant

An exciting opportunity has opened for a Garden Maintenance Assistant to join our well established and dynamic business. Cameron Gardens, based in Notting Hill, is a successful garden design, build and maintenance company established over 20 years ago.

This exciting hands on role, where you will work closely with your GM foreman within a team of two, offers the opportunity to work on some top end gardens. You will need a love of and enthusiasm for plants and gardens. A good basic knowledge of horticulture and experience within the industry is required; a desire to learn and develop is vital. You will need to be good at communicating and enjoy being part of a close knit team, whilst being able to show initiative.

Job description:

- Weeding and seasonal pruning and planting.
- Hedge cutting.
- Lawn mowing and border edging.
- Watering.
- Irrigation installation and repair.
- Planting of annuals and bulbs.
- Support the GM foreman to ensure that your gardens reach their full potential.
- Ensure all tools, materials and plants are taken to site when required.
- Assist in day-to-day maintenance of yard.
- Ensure that the van is kept clean and tidy with a full set of tools. Reporting any problems immediately.
- Ensure all health and safety procedures are followed.
- Attend staff meetings.
- Be punctual.
- Look tidy.
- Wear the correct clothing.

You will need:

- Good basic horticultural knowledge.
- To be highly organized and efficient time management.
- A desire to develop and learn.
- A clean driver's license.

Hours of work:

07.30 - 17.00 with 1 hour off during the day.

Salary:

£20,000 - £27,000 DoE.

Holiday:

20 days paid holiday per annum.
