

We stand on the precipice
of a financial revolution

that very few understand

GOOD MORNING

I,m

Richard de

Sousa

of

AltCoinTrader

DeFi has the potential to change the financial landscape

BUT we need to start the adoption pro

DeFi has the potential to change the financial landscape

- DeFi loans
- DeFi savings
- The lottery where you can not loose
- Providing liquidity to decentralised exchanges

BUT we need to start the adoption pro

The current monetary system is a system of debt

and in a system of debt one party is a

Responsibility is the price of freedom...

I can look after
my own money!

We can look after
our own money!

In conclusion

- If you thought I was not going to...

Thank
you
