ACTIVITY CENTRE

WHAT WE OFFER!

Our Away Days are perfect for team building events, a team away day activity, office outing or to stretch your legs after a group conference. Les Mielles Activity Centre is a great way to get everybody out in the fresh air for a couple of hours with a healthy dose of old fashioned, competitive fun thrown in for good measure! Roccos Activity Centre can facilitate very large groups and companies have the choice to pick and choose which activities they would like to do.

CRAZY GOLF

Make your way through tricky obstacles, slippery slopes and fun challenges at Roccos Crazy Golf! This Jersey themed Crazy Golf course has holes inspired by many of Jersey's landmarks including La Rocco Tower and Corbiere Lighthouse (Roccos Crazy Golf takes around 60 minutes to complete and players can compete in teams of up to five people). The object of the game is to try and get the ball into the hole with the least number of putts. Scorecards will be provided to players to help you keep note of scores.

MINI GOLF

Experience our realistic 18 hole miniature golf course, an exact replica of a full-scale golf course with challenging fairways, bunkers and contoured greens (Roccos Mini Golf takes around 60 minutes to complete and players can compete in teams of up to five people). Scorecards will be provided to players to help you keep note of scores.

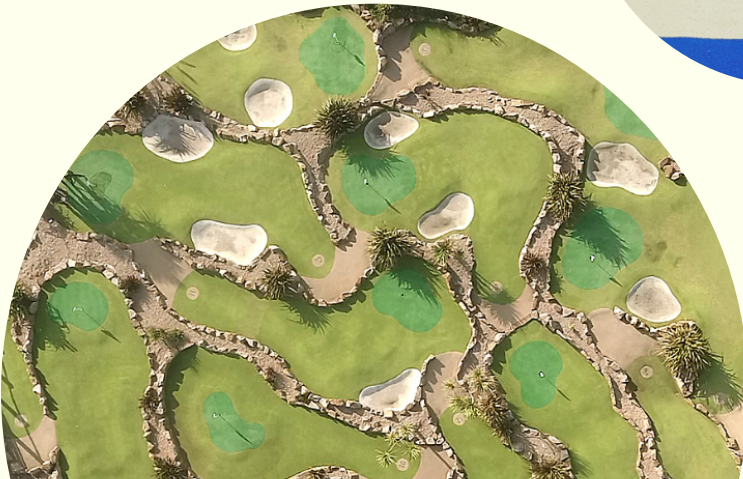

LASER CLAY PIGEON SHOOTING

Try something a little different and challenge your colleagues to laser clay pigeon shooting. Teams compete in groups of five to hit as many flying clays as possible. Scores are collated and displayed on a large electric scoreboard. No live ammunition is used within this activity, the deactivated guns detect clays using laser technology. Shooters still get to hear the satisfying 'bang' when the laser detects a specially modified clay.

COMING SOON

Coming very soon, We will have a Gaming Zone! This will include Battleships, Connect 4 and many more! Be sure to keep checking our social media platforms for more information on this exciting development.

COURSE INFORMATION

Les Mielles Golf & Country Club is an 18 hole Championship parkland golf course, set within beautiful St Owen's Bay and home to the only PGA Pro-Am Golf Competition in Jersey; the perfect setting for your Corporate Golf Day. We also have little side competitions when on the course, such as the nearest pin and longest drive.

We strive to provide the best day for you and your guests - leave it to us to take care of everything from breakfast to buggies, corporate merchandise to clubhouse drinks and dinner of course.

SHOTGUN STARTS

A Shotgun start is a golf format in which all groups of players tee off at the same time from different holes. It allows you to take advantage of some fantastic additional benefits including corporate branding around the course with banners, tee markers and pin flags.

Shotgun starts are subject to availability. A minimum number of 72 players are required for an 18 hole shotgun start (4 per hole). 9 hole shotgun starts are also available for golf groups of up to 36 players. [Shotgun starts are available early mornings only.](#)
