why use us

PROFESSIONALISM

We uphold a high standard of customer service, working only with highly trained and passionate employees.

QUALITY

Cougar is a long-established company with a wealth of technical ability from our workshop, external engineers to our sales office. Whatever department you may deal with quality is always a priority.

SAFETY

We ensure safety comes first at each stage of our work. Being commercially aware with high ethical standards allows us to do this.

how we can help

TALK TO US

Call us, we like talking! At Cougar there are no answerphones or voice recognition systems, just real people with real experience looking to help you.

REST ASSURED

Our highly skilled engineers are on call to take away any hassle you may have regarding system failures.

PREVENTATIVE MAINTENANCE

Reducing the risk of pump downtime is one of the best things you can do for your equipment. Depending upon the process, down time costs can be more significant than the energy or maintenance elements of the equation.

That is why here at Cougar we provide service contracts so you can pass on the responsibility of your equipment to us.
