Thailand, always leading!

Check out the latest FRESH Idea from Thailand: **Diamond in a rough**
Savor the real taste of Thailand. Learn the secrets of Thai food in the heart of Bangkok's Largest Slum. An experience guided by Khun Chompoo, the resident chef, a remarkable model of success and positivity in an often stark and complex landscape of poverty and hardship and has trained up a stellar team of fellow residents. Find out more about this beautiful and rewarding activity where you will have the chance to cook and provide a meal to the underprivileged children living in Slum...

Italy...there is always something new to see, hidden places to visit, amazing experiences to live.
Discover one of our favourites FRESH Ideas: **Cut, Jam and Taste**
Let's make "Vendemmia day"! Try to be like a real grape-picker and cut many grapes as possible! Produce your wine and enjoy yourself by making the harvest, crushing the bunches in the old style.
