

ENGLISH PLUS

UNPAID WORK EXPERIENCE

While you are improving your English skills in our Morning classes, why not make the most of your time by taking the exciting opportunity to experience working life in the UK?

In 2020, TEG English will be working with local Internship companies in Bristol, Portsmouth and Southampton to provide students with placements in English speaking companies.

Work placements take place after Morning classes from a minimum of 2 weeks to a maximum of 12. In the afternoon, you will travel to a local business to gain valuable work experience while practising and developing your language skills.

We will find you a placement that best matches one of three chosen areas, your language skills and your experience.

Potential fields of work:

- Charity Shops
- General Administration
- Customer Service
- Marketing/Advertising
- Carpentry
- Car Mechanics
- Metalwork
- Turning & Milling
- IT support
- Hospitality/Catering
- Gardening/Landscaping

The specific work experience provided depends on availability, student skills and level of English.
