

5 STEPS TO TAKE WHEN BOOKING A CLEANING SERVICE TO GET A GREAT DEAL

If you are in need of a good cleaning service, needed to get a good deal and on top of that, wanted you want to make sure you hire a reliable cleaning company. Then follow the steps below:

Type in the correct word in your browser to find a cleaning company

Type the correct search in your browser to get the best search results? Make sure you indicate your location. Suggested keywords might be office cleaning London

Arrange Site Visits

A serious cleaning provider will not finalise a quote without sending someone down to do a site assessment. If a company cannot do this, please stay away from such a cleaning company

Ask for Quotes for at least 2 or 3 different Companies

Ask for quotes from more than 1 cleaning company so you can make a comparison. You may even ask for a further discount if they want your business

Look out for Reviews & Insurance

Make sure you select only companies with reviews or references and are insured to carry out cleaning services.

Agree Cost

There is nothing worse than hidden charges that you did not plan for as you progressed in the contract. Make sure the [Cleaning Company](#) provides one and comprehensive

Agree work/requirements with Cleaning Company

It's good you make it clear to the cleaning company what you expect of them from the beginning so there would be no miscommunication.

Award your cleaning contract

Following the steps above will help you in hiring only the best cleaning company. The next step is to award your cleaning contract. If you are still not sure of what to do. Start by contacting a [London Office Cleaning Company](#) to see how they can help
