A Message From
Michael E. Heldman
Hancock County Sheriff

Dear Citizens of Hancock County:

As most of you know from the news, 2017 was a challenging year in many ways. One of the most impactful challenges has been the jail overcrowding and all of the associated problems with the current opioid crisis. We continue working to find ways to address these issues both inside our facility and out in the community.

A positive accomplishment was being able to contract with Tyler Technologies, in conjunction with the City of Findlay, for new software for our facilities. We are excited to be able to replace our outdated software and look forward to increased functionality for our entire facility.

We also continue the Boot Project and hope to have it completed in 2018. This will add another layer of safety in the schools for our children.

We are looking forward to 2018 and the challenges it will present. Thank you for your continued support and we look forward to continuing to serve you in the upcoming year.

Sincerely,

A handwritten signature in black ink that reads "Michael E. Heldman". The signature is written in a cursive style.

Michael E. Heldman, Sheriff

Mission Statement

- Commendation Award: For individual(s) who have performed efficient and valuable service to the office, either carrying out a specific task or in the performance of general duties.
- Certificate of Merit: Outstanding performance of duty under unusual or difficult conditions. The action need not involve exposure to physical danger but must involve the protection of life or property and involve unusual thoroughness, conscientiousness, determination and initiative.
- Office Citation: Performance of a difficult task involving personal risk to the employee or because of the actions of the employee, a serious crime is prevented or the perpetrator is apprehended.

Spotlight—Transport / Warrant

The Transport Warrant Unit is a unique department of the Sheriff's Office. This unit handles a variety of duties that correspond to the transportation of inmates, court security, Sex Offender Registrations, Concealed Carry permits, civilian background checks, warrant entry / tracking and other various duties.

Transports: The unit is responsible for the safe and timely movement of persons (in or out of custody) outside of the jail facility. This includes both adult and juvenile offenders.

Adult Transports include:

- To and from the jail for all court hearings from any court (Common Pleas, Municipal, Domestic, etc)
 - Transportation to and from appointments such as medical, dental, Century Health, the hospital, etc.
 - Toledo Court Diagnostic Center for evaluations (both in and out of custody individuals)
 - WORTH Center Program in Lima
 - To / from other jail facilities as needed due to increases in jail population
 - Extraditions - transporting prisoners to Hancock County from other states
 - To state institutions after sentencing of an inmate
 - Males to Orient Correctional Reception Center
 - Females to Marysville Reformatory for Women or Dayton Monday Program
- ** Inmates must also be transported to / from these institutions for court hearings while incarcerated **

Juvenile Transports Include:

- To Wood County Detention Center or alternate Juvenile facility for incarceration
- To / from Wood County or alternate facility for court hearings
- To / from other various Department of Youth Services Institutions

COURT SECURITY: *The Sheriff's Office is responsible for the safety of the courts in the county. This includes security at the entrances of the Courthouse and the Juvenile/Probate Court building. The Courthouse entrance is manned from 7:30 a.m. to 5:30 p.m. daily and the Juvenile/Probate Court entrance is manned from 8:00 a.m. to 4:30 p.m. daily.*

In addition to the entrances, the unit routinely patrols these and other county buildings during operational hours. Occasionally services are needed after hours for special meetings, long court days, etc.

The Transport / Warrant unit also handles security for jurors during jury trials, and takes jurors to onsite views of crime scenes when necessary.

Spotlight—Transport / Warrant

The Transport/Warrant Unit consists of 1 supervisor and 5 deputies. Due to the increase in activity over the past few years, we have been approved to add 2 more deputies to handle the work load in 2018.

Activity increases include :

- *Concealed Carry licensing beginning in April, 2004
2017 - 860 permits issued*
- *Addition of Sex Offender Registration with the Adam Walsh Act of 2006
2017 - 318 adult, 14 juvenile registrations*
- *Heavy increase in transportation to/from other facilities starting in 2016
2017 - made 169 trips to Putnam, Wood or Van Wert Counties to house
Inmates due to overcrowding in Hancock County*
- *Mandate to provide entrance security at Juvenile/Probate Court in
December 2017 - started providing security at entrance to building
in December - manned from 8:00 a.m. to 4:30 p.m. daily*

Sex Offender Registrations:

In 2006 the Federal Adam Walsh Act was enacted, requiring sex offenders to register. Offenders are classified based on the severity of the crime and the age of the victim. Offenders must register upon being released from incarceration. Registration frequency depends upon the offender's classification, which also determines restrictions, such as location (ex: proximity to schools). Registration is done through a statewide online database. Information on sex offender registration can be accessed by any person through our website at www.hancocksheriff.org.

Arson Offender Watch:

On July 1, 2013 the Arson Offender Watch program was enacted, requiring any person either convicted on or after this date and/or incarcerated, on Arson charges, to register with the county Sheriff's Office in which they live, work or attend any school.

Spotlight—Transport / Warrant

Concealed Carry Permits: Concealed Carry gun permits were instituted in Ohio on April 8, 2004. By law, the county sheriff must provide this service to the public. Hancock County has 15 hours per week set aside to process applications for the public. This includes taking the information, fingerprints, photos, payment and entering all components into the statewide system. Once this is done, the state processes the fingerprints and performs the state background checks. Locally, other background information is gathered, paperwork is done, and the applicant is called to let them know their license is ready to be picked up.

Civilian Fingerprinting: Another service provided for the public is fingerprinting for background checks. Fingerprints are generally taken electronically (through WebChek) and processed via the state, but occasionally they are rolled the old-fashioned way on a card. Background checks are then processed through the state. Many professions now require background checks - brokerage firms for example. Also, anyone who works with children (teachers, bus drivers, counselors, day care center workers, etc.) are required by law to have background checks performed.

Warrant entry, tracking and service: This unit is responsible for entering, maintaining, tracking and serving warrants issued by the courts. Warrants are issued daily out of the courts, for any number of offenses, including not paying fines and costs to the court.

Other duties: Transport/Warrant also has many miscellaneous duties. They can be called to testify at bond hearings, for fresh arrests, warrants, and traffic or criminal cases. They can be asked to drop off specimens and cultures for the jail nurses/physician, or pick up medical supplies needed in the jail. They also perform background checks for NCIC & LEADS as requested by the courts.

Sheriff's Line - Do not cross

Detective Unit

The Detective unit consists of a sergeant and five detectives, two of which are assigned to the METRICH Task Force. The unit is also responsible for juvenile assault and abuse cases, as well as all cases which require more in depth investigation than is provided by the road patrol. The detective unit was assigned 142 cases in 2017 and cleared 146, resulting in 52 arrests.

METRICH Drug Task Force

The HCSO Detective Unit is part of a ten-county drug task force called METRICH. METRICH is one of the few de-centralized task forces in the State of Ohio promoting a Community Policing philosophy approach to task force operations. METRICH is also the largest drug task force in Ohio. The Sheriff's Office and the Findlay Police Department joined METRICH in October of 1999. METRICH is funded through the Office of Criminal Justice Services under Chief Phil Messer of the Mansfield Police Department.

The METRICH unit opened 290 new cases in 2017 and closed 167. These cases involved 90 defendants and 8 search warrants were issued to the unit.

Highlights:

- Traffic stop with a motorcycle with Findlay PD on Broad Avenue. Indication made and upon searching recovered a loaded revolver.
- OSP traffic stop resulted in Sonny indicating on the vehicle and upon searching located 300 illegal prescription pills hidden under the center console.
- Traffic stop with the Findlay PD where a clear indication was made and a half gram of heroin was located on the female passenger.
- Called to Wood County for a missing juvenile. In searching roughly 75 acres, K-9 Sonny located the juvenile.
- Deputy Von Sossan traffic stop: clear indication using K-9 Sonny, with 18 grams of crack cocaine being located on a female passenger hidden in her bra. Total 7 grams cocaine and 11 grams of crack cocaine.
- K-9 Sonny & K-9 Charlie were called to Wood County for missing prisoner. Sonny located suspect who wanted to be shot. Mere presence of Sonny at the scene de-escalated the situation and she surrendered.
- Called to north side of county for a felony suspect hiding in 30 acres of woods. Sonny located suspect on east side of the property without incident due to the presence of the K-9.
- Sonny had 3 assists in the Jail where inmates were acting out and refused to lock down. Sonny's mere presence initiated all inmates locking down with NO ALTERCATIONS, FIGHTS AND NO PHYSICAL INCIDENT NEEDED WITH OFFICERS.
- Called to the murder at the Econo Lodge for a track in which Sonny confirmed quickly for the Findlay PD that the suspect had left in a vehicle due to no track being found in the area. An article search was done also to look for the weapon.

- K-9 Charlie & K9 Sonny located a subject wanted for felony and misdemeanor warrants in a large wooded area. Subject was taken into custody without incident. K-9 Shadow from the Findlay Police Dept. assisted with the perimeter.
- Wanted subject retreated to the back of a camper and would not allow deputies to take him into custody. K-9 Charlie was brought to the camper door where warning commands were given. K-9 Charlie began barking, which caused the subject to immediately comply with the order.

PUBLIC RELATIONS

K-9 Charlie and K-9 Sonny remain very active in the community, completing demonstrations for schools, Boy Scouts and Girl Scouts and many other public events.

K-9 Sonny's work finding the suspect in Wood County made headline news. Sgt. Miller conducted a 3 Day Seminar for Northwest Ohio K-9 handlers in 2017.

The K-9 units gave 2 demonstrations at the Hancock County Fair, as well as spending time interacting with the public throughout the 5 days of the fair. The K-9's also participated in the 2-Day Dogpawlooza event.

Stuffed K-9 dogs are still available, as well as introducing K-9 t-shirts and Challenge Coins for sale as a means of raising funds to help pay for vet bills and supplies for the dogs. Most of the expenses for the K-9 unit are paid through donations and these fundraisers.

In 2017, the Sheriff's Office employees had many members added to their families. Late in the year, 9 babies and 2 K-9's got together for a photo session!

Corrections

**The Hancock County Justice Center is a 98 bed Adult,
Male and Female, Full Service Jail.**

A Full Service Jail is primarily used to detain adults for more than 120 hours, or 5 days.

2017 Quick Facts

In 2017, the jail booked 2,583 inmates and released 2,542.

- The highest daily population was 145 and the lowest daily population was 81.
- The Average Daily Population for 2017 was 118.
- There were 348 days when the population exceeded the maximum 98 beds.

The jail housed 1,841 males and 742 females. Of the inmates:

- 695 were incarcerated on felony charges.
- 1,795 were misdemeanors.

We also spent \$402,980 housing prisoners outside of our facility.

The jail served 107,059 meals to prisoners in 2017 for a total cost of \$186,084. Medical services provided to inmates totaled \$352,796.

The Chart at the right shows jail population trends for the last 5 years. As you can see, there has been a steady increase in population, with a large spike in the number of days the population has exceeded the 98 bed capacity of the jail. This is the reason for housing inmates in other facilities.

Civil Process

Civil Process is the processing of all paperwork related to civil and criminal court papers, including Sheriff's Sales, as received from the court system.

The Support Staff receives the papers, enters data into our system, and prepares papers to be served. The Road Patrol is then responsible for the service of the papers. Once served, papers are prepared and returned back to the respective courts. In 2017, the office received 2,017 civil papers to process, and 1,747 papers were served by the Road Patrol. There were 182 CPO's (Civil Protection Orders) issued by the court and served through the Sheriff's Office

In 2017, the office received 104 Orders of Sale of real property. There were 101 appraisals performed and 72 made it through to sale without being withdrawn. When Sheriff's Sales are received, information is recorded, appraisals are scheduled, the sales are set up and sales are performed. Once sold, entries are made to the court by the attorneys to finalize the sale, then the Sheriff's Office is responsible for getting the deeds recorded, distributing checks for the costs of the sale at the same time. Paperwork is returned to the court after each of these steps.

Support Staff

The Support Staff is comprised of 7 employees. The 2 Corrections Clerks are responsible for all paperwork produced in the jail. They process all commissary payments and accounts, maintain and store all inmate records, maintain policy and procedure manuals and assist the Corrections staff.

On the Enforcement level, the Support Staff is responsible for answering non-emergency phones, maintaining all records related to enforcement, processing all records requests, entering expungements, records retention, processing all civil papers in and out of the office, Sheriff's Sales processing, payroll, human resource functions including interviewing, maintaining fixed asset records, receipt of monies, invoicing of services, accounts payable, budgeting, and financial analysis.

The Support Staff also organizes the Annual Banquet, prepares the Annual Report, collects statistics, manages the Web page and Facebook page, and all other office functions.

*Also of note:
The Records Clerk processed 5,231 reports,
fulfilled 1,133 public records requests,
and performed 506 local background checks for the public.*

Funds for the Sheriff's Office are allocated through the Hancock County Commissioners. Each year a request is submitted for funding. The Commissioners gather these requests from all county offices. Requests are then compiled and totals compared to estimated revenues. If requests exceed estimated revenues, the offices are asked to reduce their requests. Any changes needed during the year must be approved by the Commissioners through resolution.

The majority of funding for the Sheriff comes through the General Fund. There are a few special funds set up based on Ohio Revised Code (ex: CCW, Commissary, METRICH funds, grant funds, etc.) that receive and spend funds based on specific laws.

Analysis reports are done monthly and the budget is constantly being monitored to assure that the budget is being adhered to. The budgeting process for the upcoming year starts early each year and is fine tuned based on current activity, until Budget Hearings are held in early November.

All financial records are public and can be viewed at any time. Please feel free to call the Office with any questions regarding the stewardship of your tax dollars.

Special Units—Volunteer Organizations

Explorer Post:

The Law Enforcement Explorer Post has been active for close to 30 years at the Sheriff's Office. Our advisor is Mike McGuire. The post meets twice a month. The Explorers assist with many events including the Balloon Fest, both craft shows held at the fairgrounds and the Hancock County Fair.

Training is held at each meeting and members can ride along with deputies if they choose. This program allows teens to explore the profession and decide if this is a career path they would like to choose.

Special Deputy Organization

The Special Deputy Organization is comprised of citizens who are trained to assist law enforcement agencies. This organization is responsible for security at the county schools' football and basketball games and the Hancock County Fair.

These individuals log several thousand volunteer hours, including the hours at the Hancock County Fair. They also provide services for a variety of other special events around the county each year, including the Spring and Fall Craft Shows held at the fairgrounds. Other details included the Flag City Multi-sport Event, various parades and traffic details, school dances and other functions as requested.

Posse

The Posse is a unit of the Special Deputy Organization and is utilized in parades and at the fair. The unit is also available for special duties which might arise where crowd control is an issue. The group also provided security presence in the Findlay Village Mall parking lot during the holiday shopping season.

Each certified posse member has had to undergo rigorous training with their horse and pass tests to determine that they and their mount are qualified to handle themselves in stressful situations. These volunteers provide their own gear and mount, and participate in all training on their own time and money.

Special Units—Volunteer Organizations

Underwater Search & Recovery Team

This unit is specially trained in underwater search and recovery, and has been utilized many times to search the reservoir, the Blanchard River, and area ponds and streams when the need arises. Members on the team include divers, boat crew, boat captain and the land crew.

The unit undergoes regular training sessions throughout the year to strengthen their skills and teamwork.

Bike Patrol

The Bike Patrol provides services in areas where cruisers cannot be utilized. They are also utilized for special events such as parades, 5k runs, and the Balloon Fest.

This unit must go through training to learn how to handle their bicycles in all kinds of terrain and situations. They are certified at the end of their training.

There were a lot of miles covered working the Hancock County Fair, Balloon Fest 5K Run, Special Olympics Torch Run, and many other activities.

Sheriff Heldman Receives State Award

Hancock County Sheriff Receives Distinguished Leadership Award

Posted on February 1, 2017, updated on June 22, 2017 by Zach Thomas

On January 31, 2017, the Ohio Association of County Behavioral Health Authorities, which represents Ohio's Alcohol, Drug Addiction, and Mental Health Boards, held its annual Legislative Day. This event was designed to convey how through collaborations and partnerships, Ohio's ADAMH Boards are leading efforts to develop Recovery-Oriented Systems of Care. During the luncheon, OACBHA presented the 2016 Annual Awards to leaders from throughout Ohio who have been working to ensure that community mental health and addiction services and supports are available for all Ohioans.

At the award luncheon, volunteer Board members, Board Executive Directors, and community leaders joined OACBHA in honoring Hancock County Sheriff Michael Heldman who received the 2016 CEO's Award for Distinguished Leadership. While presenting the award, Cheri L. Walter, CEO of OACBHA, stated that, "As a leader in Ohio's law enforcement community, Sheriff Heldman's support of community mental health and addiction services, his focus on ways to build creative partnership to address Ohio's opiate epidemic, and his support of individuals in recovery and their families make him a true leader in this field."

The day's activities concluded with a reception in the Statehouse Museum Gallery that included Board members, advocacy groups, treatment providers and members of the Ohio General Assembly.

The Ohio Association of County Behavioral Health Authorities is the statewide association that represents Ohio's alcohol, drug addiction and mental health boards which are statutorily empowered to plan, develop, fund, manage and evaluate alcohol, drug addiction, and mental health services. For more information, visit www.oacbha.org or call (614) 224-1111.

THE BOOT Project

The Hancock County Sheriff's Office, in conjunction with the Crime Prevention Association of Findlay/Hancock County, is leading the effort to install The BOOT Security System in all Hancock County classrooms to help protect students, faculty and staff from the type of threats we've all read about in an increasingly dangerous world.

Starting in 2016, fundraising efforts were begun to raise \$420,000 for this effort. Many different types of fundraising have been done over the last 18 months. In some schools, the PTA's have led efforts both in the classroom and in the school community. Several restaurants held benefit evenings where part of the profit was donated to the Boot project. A capital campaign was initiated with local businesses, resulting in \$50,000 being donated by Marathon Oil, and several other corporations adding to the effort. Separate fundraisers included a Wine Tasting Event held at Feasel's, local Rotary clubs raising funds, and there have been several sizable donations from Community Foundation funds. The efforts put into this project by so many are too numerous to name.

All involved are very thankful to have the support of the community, and we thank you from the bottom of our hearts. As of the end of 2017, we still have approximately \$120,000 to raise.

Key Features and Benefits of The BOOT:

- Keep danger out and let help in
- Simple, one-step engagement
- Works on all doors - whether they swing inward or outward
- When fully engaged, can withstand 16,000 pounds of pressure
- Small-but-mighty design allows for easy storage
- Enhances lockdown strength and safety of door to keep danger out
- Custom-designed, patent pending release mechanism allows safety personnel rapid entry
- The BOOT is made of cold rolled steel, is industrially powder coated for scratch and chip resistance and each unit is entered into The BOOT registry.

FRONT OFFICE REMODEL

Right: View of the new scanning workstation and the front window from inside the office.

It was decided late in 2016 that the front office was in need of updating . As the social attitude toward law enforcement has changed, thought was given to the safety and security of the Sheriff's Office staff. Technology and the way records are stored also has changed in the past few years. Most records are now stored digitally instead of on paper. Also, the carpet was in need of replacement as that area gets heavy traffic.

Taking all of this into consideration, early in 2017 we remodeled the front reception area and the workstations. Separation was given to the clerical staff from those coming to the front window and those entering the secured area through the front lobby. A separate workstation was added to accommodate scanning of documents and to allow other employees and interns to use the scanner while the other clerical staff remain at their desks.
