

Australian grass fed Veal

Restaurant and quality supermarket grade grass fed Australian Veal (*V*) available *halal*/certified, vacuum packed, chilled or frozen primal cuts by sea or air.

Supply is available for most major international markets including: China, UAE, Qatar, KSA, Kuwait, Bahrain, Oman, Hong Kong, Macau, Singapore, Philippines, Brunei, India, Japan, Korea, Taiwan, Vietnam, Thailand, Myanmar, Sri Lanka and many other countries,

Veal is produced from young beef carcasses 70kg-150kg. Meat is typically light coloured, low in fat, juicy and tender.

Australian Veal is available in all primal cuts *halal*/certified.

Primal cuts may be specified according to AUSMEAT language carcass specification. A chart is available as a PDF.
