

Environmental Policy

Schaltbau Machine Electrics Ltd is committed to minimising its effect on the environment, in both direct operations and the products we supply into the market. The company understands that it must be proactive with environmental issues this shall be achieved by applying the following policy objectives:

- ✚ **Comply with/exceed the requirements of environmental legislation and approved codes of practice.**
- ✚ **Assess the environmental impact of all historic, current and likely future operations.**
- ✚ **Continuously seek to improve environmental performance, assisted by the setting of business objects at various levels of our operation.**
- ✚ **Prevent pollution, emissions and waste.**
- ✚ **Reduce the use of all raw materials, energy and supplies.**
- ✚ **Raise awareness, encourage participation and train employees in environmental matters.**
- ✚ **Expect similar environmental standards from all suppliers and contractors.**
- ✚ **Assist customers to use our services in an environmentally-sensitive way.**
- ✚ **Liaise with the local community.**
- ✚ **Participate in discussions about environmental issues.**

In addition to the above points Schaltbau Machine Electrics Ltd will ensure that it keeps to the forefront of environmental awareness and will endeavour to only use natural or at the very least bio-degradable / sustainable materials.

As evidence of its commitment to reducing its impact on the Environment, Schaltbau Machine Electrics Ltd has achieved Certification to ISO 14001
