THE MARKET TODAY**

LATEST RANGE

**BROWNING TRAIL CAMERAS NOW
OFFERS YOU A FULL LINE OF
TRAIL CAMERAS AND RELATED
ACCESSORIES TO HELP YOU
CAPTURE GREAT IMAGES OF THE
WILDLIFE ON YOUR PROPERTY.**

Our complete range of trail cameras and accessories have been designed with you in mind, to deliver excellent quality results in the field. Whether you are trying to capture stunning wildlife pictures, or just interested who or what is moving around your property, our line-up of trail cameras has the features you are looking for.

All of our trail cameras feature incredible trigger speeds of less than one second, so you don't miss any action. Our cameras are also capable of capturing images in stunning HD video with sound.

Imagine being able to take a 2-minute HD video clip of deer or wild boar walking around the edge of your field or garden...and being able to hear what's going on as well.

THAT'S THE BROWNING TRAIL CAMERA ADVANTAGE!

**DARK OPS HD BLACK
LABEL SECURITY**

**SPEC OPS FHD PLATINUM
WITH COLOUR SCREEN**

COMMAND OPS SERIES CAMERAS

The Command Ops series of trail cameras delivers big performance in a small package with great value. The crisp 8MP image resolution ensures the very best quality pictures of the wildlife in your area, day or night. And with 0.67 second trigger speeds, you are sure to capture anything that steps out in front of your camera!

The Command Ops series also features 720p HD video with sound and allows you to enhance your overall trail camera experience by capturing amazing video of all of the wildlife on your property.

Features:

- 8MP Camera
- HD Videos with Sound (Settings (Range from 5 sec.- 2 min. in Length)
- Infrared LED Illumination at Night
- 60 ft. Flash Range
- 55 ft. Detection Range

£99.00 Buy online at www.browningbranded.com

NEW

RECON FORCE FHD PLATINUM WITH COLOUR SCREEN

The new Recon Force Platinum series camera now features a built-in 2-inch colour display to preview exactly where your camera is aimed in the field as well as check your images from your camera. The Recon Force Platinum FHD camera also features high quality 10MP images and 1920 x 1080 Full HD video with sound.

The Recon Force Platinum series camera also uses an infrared flash that will illuminate the wildlife in your pictures and videos out to 100-feet. The “Zero Blur” technology also captures images at night using the fastest shutters to eliminate motion blur from animals moving at night.

Features:

- Smart IR Video Detection System
- SD Card “Memory Management” Option
- 10MP Camera
- 1920 x 1080 Full HD Videos with Sound (Settings Range from 5 sec. - 2 min. in Length)
- Camo Finish
- LED Illumination at Night
- 100 ft. Flash Range
- 55 ft. Detection Range

£165.00 Buy online at www.browningbranded.com

NEW

SPEC OPS FHD PLATINUM WITH COLOUR SCREEN

The most undetectable trail camera ever manufactured has been enhanced and now includes a 2-inch colour viewing screen.

With high quality 10MP image resolution and invisible “Night Vision” IR illumination that has a range of up to 70-feet, this trail camera is designed for the most demanding of users. The cameras are also equipped with a 1920 x 1080 Full HD video with sound feature for stunning video footage, and are perfect for the surveillance of wild animals that are easily spooked, as well as an excellent choice as a security camera.

Features:

- Smart IR Video Detection System
- SD Card “Memory Management” Option
- 10MP Camera
- 1920 x 1080 Full HD Videos with Sound (Settings Range from 5 sec. - 2 min. in Length)
- Invisible “Night Vision” Illumination at Night
- 70 ft. Flash Range
- 55 ft. Detection Range

BLACK LABEL®
SECURITY CAMERAS

DARK OPS HD BLACK LABEL SECURITY

After introducing the two smallest high-performance trail cameras in the outdoor industry, it became evident to the team at Browning Trail Cameras that it made sense to take that same technology and create a camera that would serve another more personal purpose.

The result is the Browning Black Label Security Camera. With its compact design it allows you to mount the camera in the most obscure places to monitor your property at home or work.

You can rest a little easier knowing that a Browning Black Label Security Camera is keeping an eye on your possessions when you can't be there.

Features:

- 10MP Camera
- 1280 x 720 HD Videos with Sound (Settings Range from 5 sec. - 2 min. in Length)
- Black Concealment Finish
- Invisible "Night Vision" Illumination at Night
- 70 ft. Flash Range
- 55 ft. Detection Range

£150.00 Buy online at www.browningbranded.com

STRIKE FORCE ELITE HD

The new Strike Force HD Elite camera is still the smallest high performance trail camera in the industry. The Strike Force HD Elite cameras feature an incredible 0.4 second trigger speed and 1.5 second recovery time and users will enjoy the remarkable 10MP picture quality and a new video processor that produces incredible quality 1280 x 720 HD video clips with sound.

The Strike Force HD Elite camera also takes night pictures using Browning Trail Camera's "Zero Blur" technology that eliminates motion blur from wildlife in your pictures up to a range of 100-feet at night.

Features:

- 10MP Camera
- 1280 x 720 HD Videos with Sound (Settings Range from 5 sec. - 2 min. in Length)
- Camo Finish
- Infrared LED Illumination at Night
- 100 ft. Flash Range
- 55 ft. Detection Range

£149.00 Buy online at www.browningbranded.com

DARK OPS ELITE HD

For the smallest, most undetectable, high performance trail camera in the outdoor industry, look no further than the Dark Ops Elite HD cameras from Browning. These cameras feature an invisible infrared flash to ensure that wildlife or trespassers on your property do not detect the camera while it is capturing images or video.

Additionally, this Sub Micro camera delivers all of the high end performance you've come to expect from Browning Trail Cameras with 10MP picture quality, 1280 x 720 HD video with sound, lightning fast 0.4 second trigger speeds, 1.5 second recovery times, and superior battery life.

Features:

- 10MP Camera
- 1280 x 720 HD Videos with Sound (Settings Range from 5 sec. - 2 min. in Length)
- Invisible "Night Vision" LED Illumination at Night
- 70 ft. Flash Range
- 55 ft. Detection Range

£165.00 Buy online at www.browningbranded.com

TRAIL CAMERA POWER PACK

Our new Trail Camera Power Pack will extend the battery life of your Browning Trail Camera in the field. This micro sized battery pack holds 8 AA batteries with features which include a built in battery tester and a twist lock plug to lock the power adapter.

Price: £34.99

SECURITY BOXES

Our camera security box has been designed to ensure your trail camera stays where you put it. The box fits all Browning Trail Cameras and can be locked using a standard padlock or a cable lock (not included).

Price: £29.99

TREE MOUNT

The camera tree mount is the perfect accessory to aid in the placement of your trail cameras. The all-steel tree mount attaches via the threaded insert found in the bottom of every Browning Trail Camera.

Price: £29.99

BATTERIES

Our trail camera batteries have been designed to meet the rigorous demands of today's trail cameras. Our Alkaline batteries are packed 8 AA per pack and are mercury and cadmium free.

Price: £4.99

SD CARDS

For maximum trail camera performance, we recommend using Browning Branded SD cards in your trail cameras. All of our SD cards are SDHC class 10, insuring the fastest write speeds for high resolution photos and HD video clips.

Price: 4GB - £9.99

8GB - £11.99

6GB - 16.99
