

Perspex® Cast Acrylic

Clear/Glass-Look

Standard Range

Clear 000

Glass-Look 6T21

The colours shown in this colour selector represent a selection of the Perspex® colours available. The colours shown for translucent and opaque options represent reflected colour. Colours shown for transparent materials represent transmitted colour. All colours shown are as accurate as the printing process will allow, but we strongly recommend that before placing an order for Perspex® acrylic sheet, that you obtain a Perspex® sample.
