

Award Winners from EFQM

Excellence Model recognition schemes

These tables show the winners of both the European excellence award – the EFQM Award - and the UK Excellence award since their inception in the early 1990's.

ley hill solutions people have been involved in the awards process almost from the beginning and have often acted as lead assessors for successful organisations, as shown in green in the tables below.

1992 - 1999

EFQM ■
