About Lake Bogoria Spa Resort

Lake Bogoria Spa Resort is the only resort in Kenya with a naturally heated pool. The resort is known as the healing place because of the therapeutic values associated with the spa and the hot spring geysers. Lake Bogoria has been described in the past as 'the jewel of the Rift Valley' and by the words of Bishop Hanington on the first sight 'the most beautiful view in Africa.' Set in the acacia surroundings of the floor of the Great Rift Valley, the Resort is 266 kilometers from Nairobi, Kenya's capital city, 114 kilometers from Nakuru town, 95 kilometers from the equator crossing and 20 kilometers from Marigat town.

Accommodation

Lake Bogoria Spa Resort offers a wide range of accommodation including:

- ✦ 33 furnished spacious cottages with a spectacular view of Keon Hills at the background.
- ✦ 25 standard rooms facing the green magnificent gardens. The rooms are wonderfully stylish with rustic African furniture to complement the safari experience and at the same time offer a warm cozy ambience where guest can kick back and relax.
- ✦ 20 junior suites with modern African design desired to suite the safari experience.
- ✦ 9 exquisite executive rooms with great, luxurious furnish and frills.
- ✦ More than 20 spacious tents in a manicured ground with bonfire, WC and electricity lighting in the campsite security assured surrounding.

All rooms are air conditioned, direct dial telephone & extensions, DSTV, cubic Bathtubs & Arabic showers. WIFI and more for your great experience.

Facilities

- ✦ Naturally heated Spa Pool
- ✦ Half Olympic-size cold water Pool
- ✦ Modern Conference Facilities
- ✦ 2 Restaurants & 3 Bars
- ✦ Massage Parlor and Salon
