Notes

Use the business mileage b/fwd where you make monthly claims to ensure you do not exceed 10,000 miles/year.

Where business mileage is less than 10,000 miles per tax year, the claim is up to 45p per mile.

Where business mileage exceeds 10,000 miles per tax year, the claim is 25p per mile.

(Tax year - 01/04 to 31/03)

Total amount claimed for the month

Business mileage carried forward for tax year to date
