

## Job Announcement

### Summer 2020 Architectural Intern

#### About Us

**Established in Chico**, California in 1983, NorthStar is a team of professionals providing designs, plans and solutions in the areas of architecture, engineering, environmental, and surveying.

**We exist** to develop people who enhance our communities. This is our core purpose; NorthStar embraces the idea that we use our professions to make a positive difference for the clients, the community, and the environment...contributing to a better world.

**We live our values** of Teamcentric, Learning, and Ownership; more than just consultants, we are an integral part of the communities we serve.

**Our success** comes from building quality relationships with our clients; providing proactive service; and having an enriched team culture of learning, guiding, and mentoring.

This is not a benefited position but does include sick time per CA state requirements.

Additional company information can be found on our website [www.northstareng.com](http://www.northstareng.com).

#### To Apply

Submit a cover letter and resume in person or by email to:

NorthStar  
Attn: Human Resources  
111 Mission Ranch Blvd, Ste. 100  
Chico, CA, 95926

Disclaimer: This job description is only a summary of the typical functions of the job and is not an exhaustive or comprehensive list of all possible job responsibilities, tasks, and duties.

*Equal Opportunity Employer*

NorthStar is looking for an **Architectural Intern** to join our Internship Program this **Summer of 2020**. Come be part of an innovative and inspired group of design professionals in a collaborative studio environment with a commitment to quality and client satisfaction. More than just consultants, we are partners with our clients, agencies and the communities we serve - taking ownership of our work, performance, and the success of all our endeavors. We are looking for candidates who are attracted to a values-driven organization that is focused on community engagement, superior client service, and a lifetime of learning.

#### Overview

This internship is a full-time, temporary position here in our Chico, CA office. The Internship Program at NorthStar was built with the intern in mind to:

- Build experience and exposure to problem solving procedures and practices
- Assist team members with projects that allows mentorship opportunities
- Showcase the nature of our industry to our future leaders and provide you with a chance to work on projects that improve the lives of people in the communities in which we live

#### Internship Opportunity

- Increased knowledge of the design process as it pertains to a multi-disciplinary firm
- Design assistance including Revit and AutoCAD drafting of details, exhibits, and portions of plan sets
- Learning how academic skills translate to the professional world as well as how general office tasks get accomplished
- Project research and other duties as assigned

#### Minimum Requirements

- 4<sup>th</sup> or 5<sup>th</sup> year student currently enrolled in a NAAB accredited Architecture program
- Competency in AutoCAD, Photoshop, SketchUp and Microsoft Office
- Familiarity in Revit
- Positive and personable attitude
- Attentive listener with a desire to learn from hands-on experience
- Professional integrity and sense of responsibility and accountability
