#### Customer Note

The prices effective from 1st October 2015, with a small revision 23rd November 2015.

The old delivery service price of £2.50 in Witney and £5.00 outside Witney had been unchanged since we introduced our delivery service more than six years ago and whilst fuel prices have fallen during 2015, the other costs for a delivery service have not.

We have also examined the time taken to get to and from deliveries hence the introduction of the bands.

We feel that this is a fairer option than applying a percentage increase to all the processing charges.

We will keep this under review.

Thank you

23/11/15: Extra band A1 added, named "Near Witney" and currently includes North Leigh, Barnard Gate, South Leigh and Ducklington.
