

LUXURY HOSPITALITY SUMMER PROGRAM

A bespoke, 18-and-over
summer experience

DISCOVER THE EXCITING WORLD OF LUXURY HOSPITALITY

At Glion, we've been teaching the art of luxury hospitality since 1962. Now we've gathered all those years of hospitality know-how into a summer program designed specifically for 18 to 26 year-olds.

Across one exciting and immersive week, you will enjoy the perfect introduction to this exciting, fast-growing and professionally-rewarding industry.

Making your temporary home in our flagship Glion campus, with its breath-taking views over Montreux and Lake Geneva, you will learn the secrets of service excellence from expert Glion faculty who have achieved global recognition in their fields. You'll also take part in academic masterclasses on key hospitality themes, as well as having the opportunity go behind-the-scenes at five-star hotels, international luxury brands and other institutions where hospitality and service excellence are second-nature.

While developing hospitality knowledge and skills will be your primary focus, we've included a number of leisure activities to complement our industry-focused program content. You will also join your fellow program participants for a variety of delightful dinners on and off campus.
