Pink Lake Salt

This delicious flavoured salt containing natural mineral nutrients gets its character from natural Pink Lake where it is harvested in the traditional lands of the *Barenji Gadjin* people of western Victoria. From a lake fed by natural salt springs, a small amount of salt is hand-harvested each year and is used in the making of Pink Lake Salt flavoured dark milk chocolate.

Lemon Myrtle

The essence of Lemon Myrtle comes from leaves of the *Backhousia citriodora*, an Australian native tree, famous for its aromatic oils used for flavouring in many bush foods, also blends perfectly with dark milk chocolate to give a delicate flavour and a rewarding taste that is uniquely Australian.

Bush Mint

The essence of Bush Mint, a traditional and ancient native bush food, is blended with Daintree Estates cocoa and results in Bush Mint dark milk chocolate, to give a refreshing and memorable taste that is uniquely Australian.

Ground Coffee

Australian grown and roasted ground coffee blends perfectly with Daintree Estates Signature Dark Milk high cocoa content couverture chocolate. The result with an occasional coffee bean crunch is Ground Coffee dark milk chocolate a rich and satisfying coffee and chocolate fusion that is uniquely Australian.
