**To:** Vehicles for Hire  
**From:** Airport Administration  
**Date:** 11/19/2012  
**Re:** Contract Vehicle Pick-Up Payment

---

Starting November 12th, we will no longer be accepting cash as payment for taxi tolls at our facility. This is our final step in becoming cash-free in regards to the Taxi Administration. We will be transitioning from cash to the use of a credit card machine, continuing the rate of \$1.00 per pick-up.

We understand that not everybody has access to debit or credit cards. If you do not own a personal debit or credit card, you may purchase a pre-paid card. We are accepting all major credit cards (Visa, MasterCard, Discover and American Express).
