

Welcome to Westminster Wood, a stunning collection of spacious homes close to the leafy village of Foxrock.

Westminster Wood comprises a collection of contemporary 4 bedroom houses and 1, 2 and 3 bedroom apartments and duplexes, all nestled within landscaped grounds. This is a rare opportunity to purchase a home that combines high build quality with architectural flair in one of South Dublin's most established and exclusive areas.

For those who expect the best...

Perfectly situated

Westminster Wood is located adjacent to Foxrock Village, one of the most highly sought after neighbourhoods in South Dublin. A close and well-established community, Foxrock offers residents the ideal combination of village life, city living and scenic coastal and mountain retreats.

There are numerous transport options on your doorstep including the QBC N11 bus corridor and Aircoach giving you easy access to the city centre and the airport. Westminster Wood is also within easy reach of the LUAS stop at Carrickmines with its park and ride facility connecting you into the City in 30 minutes.

For those driving exit 15 and 16 on the M50 interchange offers both north and south-bound access to all major national routes.

Enjoy life by the coast in nearby Dún Laoghaire, Dalkey and Killiney [just 15 minutes away via car] or enjoy a day out to the Dublin and Wicklow mountains, again just a short drive away.
