

Community Investor Tier

\$4500 Annual Investment | More than \$7400 Value

“Southwest Airlines has been a Member since the early days when this Chamber was one of the rare few community organizations to recognize the benefit of continuing commercial air service from Dallas’ Love Field Airport.

The NDCC is not afraid to take on the issues that matter. They provide an open platform for multiple views and help gain consensus on the best course of action for our Members, our community, and building business in North Texas.”

DID YOU KNOW?

The NDCC has six councils, and each board member serves on at least one of these councils:

- Public Policy
- Marketing & Communications
- Membership & Engagement
- Small Business
- Programs
- Administration

Thanks to our members, event sponsors, and involvement in the community, the NDCC hosts a wide array of *impressive speakers* who are leading experts in their fields.

Sponsors and members get the *first opportunities to speak* at chamber events, and we refer speakers to other organizations and media.
