REPORT OF INDEPENDENT AUDITOR
TO THE MEMBERS OF KICKSTART INTERNATIONAL, INC.

Opinion

We have audited the financial statements of Kickstart International, Inc set out on pages 4 to 17, which comprise the consolidated statement of financial position as at 30 June 2017, and the consolidated statement of activities and consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements give a true and fair view of the consolidated financial position of the Corporation as at 30 June 2017, and the changes in its net assets and cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corporation in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Kenya, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Restriction on Use and Basis of Accounting

Without modifying our opinion, we draw attention to page 7 which describes the basis of accounting. Our report is not intended for general circulation or publication nor is it to be reproduced or used for any purpose other than that outlined in our terms of reference. As a result, the financial statements may not be suitable for another purpose.

Other information

The directors are responsible for the other information. The other information comprises the statement of consolidated functional expenses but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

REPORT OF INDEPENDENT AUDITOR
TO THE MEMBERS OF KICKSTART INTERNATIONAL, INC. (CONTINUED)

Other information (continued)

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidated statement of functional expenses is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with International Standards on Auditing. In our opinion the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Responsibilities of Directors for the Consolidated Financial Statements

The directors are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with accounting principles generally accepted in the United States of America, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

INDEPENDENT AUDITOR REPORT
TO THE MEMBERS OF KICKSTART INTERNATIONAL, INC. (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Conclude on the appropriateness of director's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SIGNIFICANT ACCOUNTING POLICIES

1. **Corporation**

KickStart International, Inc. (KickStart or the "Corporation") is a not-for-profit corporation under the General Corporation Law of the State of Delaware and is domiciled in the state of California, United States of America.

The principal purpose of KickStart is to promote sustainable economic growth and employment creation in under-developed countries and/or areas and emerging economies. KickStart is engaged in (1) fundraising to support its work in Africa; (2) collaboration with universities and industries to improve methodologies and develop the next generation of technologies to support economic development in developing countries; and (3) raising public awareness about cost-effective models for economic development.

The consolidated financial statements include the following entities:

- KickStart International, Inc.
- KickStart International, Inc. in Kenya
- KickStart International, Inc. in Tanzania
- KickStart International, Inc. in Zambia
- KickStart International, Inc. in Mali
- KickStart International, Inc. in Ghana
- Appropriate Technologies for Enterprise Creation (ApproTEC) in Africa

Kickstart International KSI Limited in Nigeria was incorporated in January 2017. There were no activities carried out in the entity during the year hence there has been no consolidation.

KickStart International LLC and MoneyMaker LLC were formed during the year ended June 30, 2016 as vehicles to advance the objectives of KickStart International, Inc in any state, territory or dependency of the United States of America or any foreign country in which it is necessary or expendient for the company to transact business. The companies did not have any transactions as at the reporting date of these financial statements.

2. **Significant accounting policies**

The principal accounting policies adopted in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) **Basis of accounting**

The accompanying consolidated financial statements have been prepared in accordance with the accounting policies of KickStart. These policies are consistent with accounting principles generally accepted in the United States of America and are presented pursuant to FASB ASC 958 Not for Profit Entities.

Revenues, expenses, gains and losses are recorded and classified as unrestricted, temporarily restricted or permanently restricted based on the existence or absence of donor imposed restriction. When donor imposed restrictions are met, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities. KickStart does not have any permanently restricted net assets.

Issued but not adopted accounting pronouncements

At the date of authorisation of these financial statements the following Standards and Interpretations which have not been applied in these financial statements were in issue.

In August 2016, the FASB issued ASU 2016-14, Presentation of Financial Statements for Not-for-Profit Entities, which revises the not-for-profit financial reporting model. ASU 2016-14 streamlines and clarifies net asset reporting, provides flexibility regarding the definition or reported operating subtotals, and imposes new reporting requirements related to expenses. ASU 2016-14 is effective for fiscal years beginning after December 15, 2017. Early adoption is permitted.

2. **Significant accounting policies (continued)**

a) **Basis of accounting (continued)**

Issued but not adopted accounting pronouncements (continued)

In November 2016, the FASB issued ASU 2016-18, Statement of Cash Flows, which requires that a statement of cash flows explain the change during the period in the total cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. ASU 2016-18 is effective for fiscal years beginning after December 31, 2019. Early adoption is permitted.

In May 2015, the FASB issued Accounting Standards Update (ASU) 2015-07, Fair Value Measurements. The ASU amends ASC Topic 820. In summary, entities that value certain investments using the practical expedient will no longer have to disclose such investments in the fair value hierarchy under Topic 820.

In April 2015, the FASB issued ASU 2015-03, Interest-Imputation of Interest Subtopic 835-30-Simplifying the Presentation of Debt Issuance Costs (ASU 2015-03), which changes the presentation of debt issuance costs in the financial statements. Under ASU 2015-03, an entity presents such costs on the statement of assets and liabilities as a direct deduction from the related debt liability rather than as an asset. Amortisation of the costs is reported as interest expense.

In May 2014, the FASB issued ASU 2014-09, Revenue from Contracts with Customers. The guidance in this ASU supersedes the revenue recognition requirement in Revenue Recognition (Topic 605). Under the new guidance, an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842). The guidance in this ASU supersedes the leasing guidance in Topic 840, Leases. Under the new guidance, the lessees are required to recognise lease assets and lease liabilities on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating with classification affecting the pattern of expense recognition in the income statement.

b) **Basis of consolidation**

Other KickStart entities are entities over which the Corporation has the power to govern the financial and operating policies. The entities are fully consolidated from the date on which control is transferred to the Corporation. These are de-consolidated from the date that control ceases.

Inter-company transactions, balances and unrealized gains on transactions among the companies are cancelled out. Accounting policies of the entities have been changed where necessary to ensure consistency with the policies adopted by the corporation.

c) **Unrestricted net assets**

Unrestricted net assets are not subject to donor imposed restrictions and include the carrying value of all physical properties (leasehold improvements and furniture and equipment). Items that affect this net category include revenue, unrestricted contribution and related expenses associated with the core activities of Kickstart International, Inc.

d) **Temporarily restricted net assets**

Temporarily restricted net assets represent contribution and other assets received from donors that are limited in use by Kickstart International in accordance with temporary donor-imposed stipulations. Items that affect this net asset category are restricted contributions including unconditional pledges. These stipulations may expire with time or may be satisfied and removed by Kickstart International according to the terms of the contribution. Upon satisfaction of such stipulations, net assets are released from temporarily restricted net assets and recognised as unrestricted.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

e) **Permanently restricted net assets**

Permanently restricted net assets represent unconditional promises by a donor that specifies that the assets donated be maintained permanently and be invested to provide a permanent source of income. Permanently restricted gifts (endowments) are managed according to the Uniform Prudent Management of Institutional Funds Act (UPMIFA) of the State of Carlifonia. If the donor does not restrict the allowed use of income, Kickstart International, Inc classifies income as temporarily restricted net assets until those amounts are appropriated for expenditure by Kickstart International in a manner consistent with the standard of prudence prescribed by UPMIFA.

f) **Cash equivalents**

Cash equivalents represent short term, highly liquid investments with maturities of three months or less at time of purchase.

g) **Investments**

Investments are recorded at fair value based principally upon quoted market values.

h) **Pledges receivable**

Unconditional promises to give that are expected to be collected within one year, are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years, are recorded at the present value of their estimated future cash flows.

i) **Inventories**

Inventories are stated at the lower of cost and net realizable value. Cost is determined on a first-in-first-out basis. Net realizable value is the estimate of the selling price in the ordinary course of business, less selling expenses.

j) **Advances**

Advances which are held to maturity, are measured at amortized cost.

k) **Borrowings**

Loans, which are held to maturity, are measured at amortized cost.

l) **Property, plant and equipment (Net)**

Property, plant and equipment is stated at cost less accumulated depreciation.

Work in progress represents property in the course of construction. It carries at cost, less any recognized impairment cost.

m) **Revenue and support**

Contributions: Contributions are recognized as revenue when a written unconditional promise to give has been received or upon receipt. Donor restricted contribution whose restrictions are met in the same reporting period as contribution is recorded and reported as temporarily restricted contributions with corresponding release of restrictions. Conditional promises to give are not recognised as revenue until the donor conditions are substantially met.

Contribution of services: Pro bono legal services was provided to the organisation for general legal matters. The value of this contributed time was $ 344,652 and is recognised in the consolidated statements of activities as revenue and expense.

Product sales: Sales of goods are recognised upon delivery of products and customer acceptance.

Other revenue and support: Other revenue and support is recognized on the accrual basis.

n) **Expenses**

All expenses are recognized on the accrual basis.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

o) **Translation adjustments**

Where an entity's functional currency is a foreign currency, translation adjustments result from the process of translating that entity's financial statements into the reporting currency.

p) **Depreciation**

Depreciation on property, plant and equipment is calculated on a straight line basis to write down the cost of each asset to its residual value over its estimated useful life using the following years:

	Years
Motor vehicles	4 years
Workshop machinery	4 years
Computers	3 years
Software	5 years
Furniture and fixtures	8 years
Equipment	8 years

q) **Foreign currencies**

Monetary assets and liabilities expressed in foreign currencies are translated into United States dollars at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies during the year are translated at the rates ruling on the dates of the transactions. The resulting gains or losses are included in the consolidated statement of activities.

r) **Retirement benefit obligations**

The corporation has a defined contribution plan for its employees in Kenya, under which the corporation pays fixed contribution into a separate pension scheme regulated by a government agency. The corporation has no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefit relating to employee service in the current and prior periods.

The employees in Kenya and Tanzania also contribute to the National Social Security Fund (NSSF) while the employees of Zambia, Ghana and Mali contributed to National Pension Scheme Authority (NAPSA), National Pensions Regulatory Authority (NPRA) and Istituto Nazionale della Previdenza Sociale (INPS) respectively. These are statutory defined contribution schemes registered under the local statutes of each country.

The corporation's contributions to the defined contribution scheme are charged to the consolidated statement of activities in the year to which they relate. The consolidated total amount paid to the defined contribution schemes of the respective countries during the year was $ 85,788 (2016: $ 100,502)

s) **Use of estimates in the preparation of the financial statements**

KickStart management uses estimates and assumptions in preparing consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were assumed in preparing the consolidated financial statements.

t) **Current and deferred income tax**

The tax expense for the year comprises current and deferred tax. Tax is recognised in the statement of activities.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date.

Deferred income tax is recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements and on unused tax losses or tax credits in the deferred income tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

The carrying amount of deferred tax assets are reviewed at each reporting date and a valuation allowance is set up against deferred tax assets so that the net carrying amount equals the amount that is more likely than not to be recovered based on current or future taxable income.

The Corporation is exempt from federal income taxes under Section 501(c)(3) of the United States Internal Revenue Code, except on any net income derived from unrelated business activities. At June 30, 2017 and 2016, the Corporation has no recorded tax liability for unrelated business income, as it does not believe it is involved in any such activities. The Corporation believes it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements. If the Corporation had unrelated business activities, any income derived from these activities would be subject to the requirement of reporting on the Corporation's federal Return of Corporation Exempt from Income Tax ("Form 990") for 2017, 2016 and 2015 and further filing of Exempt Corporation Business Income Tax Returns ("Form 990-T"), which are both subject to examination by the United States Internal Revenue Service, generally for three years after they are filed.

The organisation's affiliates, in particular in Kenya, Tanzania, Ghana and Zambia are subject to local income tax on activities other than contributions and grants which are deemed to be exempt (however, such formal exemption has not been received from the local tax authorities). In Kenya, the affiliate has accumulated tax losses in respect of product sales income and expenditure on which deferred tax arises. Deferred tax assets on tax losses carried forward are only recognised to the extent of likelihood of availability of sufficient future taxable profits to utilise such losses.

Under the Kenyan Income Tax Act, with effect from 1st January 2010, tax losses are allowable as a deduction only in the four years succeeding the year in which they occurred. In 2015 an amendment was made to the Kenya Income Tax extending the tax losses from five years to 10 years. The tax losses of $ 8,888,160 carried forward will expire as follows:

Arising in	**Tax losses**	**Expiring**
