Supporting Victims and Survivors, Strengthening Communities

Issue 158

Dear Member,

As we approach the Christmas period you will not many different events and activities taking place right across the SEFF Family Network, please make every effort to get involved and to encourage your families to do likewise. SEFF's strength is about empowering and bringing together people, this Christmas season let's do it even better.

I want to recognise the work of the Advocacy service who were to the fore in facilitating opportunities for victims/survivors across northern Ireland and beyond to engage with the NIO's latest Public Consultation concerning-The VASPA (Pension for the seriously injured) Public events were held across Northern Ireland as well as briefings provided to groups and 1-1 support sessions. Once again SEFF's Advocacy Service show others how a genuine engagement and victim centred process should operate.

I have been picking up on concerns voiced by many surrounding the proposed closure of the RBL's Bennett house facility, down the years I know all too well how important a resource Bennett House has been for many within the military family. SEFF Is making its' position know on this issue and has asked to meet with the leadership of the Royal British Legion.

I would wish again to issue an appeal to our membership, we urgently require volunteers willing to offer their gift of time, experience and commitment in support of the following services; Morning SEFF Calling (a weekly telephone service designed to reach the vulnerable and isolated) those with a background in Human Resources and Personnel Management, those with fundraising experience and those with an interest in horticulture/gardening.

Finally I want to thank Carrie Benn for her efforts in overseeing SEFF's most recent Peace IV funded Good Relations Programme which explored the areas of The History of Music and Song, The Famine and Ethnic minorities within the County and beyond. And we also say a fond farewell to Rufia Valiff (SEFF's GB Health and Wellbeing Caseworker) who will finish up with us on Friday 13th December 2019 and will return to Australia. We recognise Rufia's efforts over the last two years in developing this service.

We would welcome any raffle prizes you are able to donate in advance of our Christmas Member's Night. Where possible please leave all items to the SEFF office in advance of 18th December 2019 or failing that; bring along on the night.

An ideal Christmas gift!!

Peer Support Sessions

We are planning to start a further course of Peer bereavement support sessions commencing in The New Year **on Thursday 30th January 2020 from 11am - 12.30pm**. Lunch will be provided after each session and it is envisaged that the sessions will run for 10 weeks.

The sessions will be facilitated by Holly Reid (who has previously delivered support sessions within SEFF offices, Lisnaskea.)

We have had some very positive feedback from those who took part in the last series. So much so that these individuals have decided to continue to meet in a more informal capacity once a month.

We are now looking for new people to take part in the next set of sessions, they are open to people who have been bereaved of a spouse/partner or family member, this can be recent (but not within the last 12 months) or the bereavement can be a number of years ago.

If you feel like you could benefit from this type of support please get in touch and we will provide you with further information.

Do not suffer in silence!

SEFF's Counselling Service

SEFF currently has availability for new people to be supported via the Counselling Service which is offered from our Manderwood Offices on Friday's.

The Service can prove to be a 'lifeline' for those who use it. The nature of the service is extremely confidential however a number of previous users have remarked upon the 'transforming effect' that the process has had upon their lives. They commented that they feel more confident, that they feel more able, better equipped to face the future.

SEFF has an in-house Counsellor who has been with us for over 8 years - Helen Murphy who is very much part of the SEFF family. Those who go to see Helen can be assured of 100% confidence, 100% professionalism and 100% be certain that she is someone who cares and who wants to help.

People see counsellors for a wide range of reasons - they may be dealing with problems such as unemployment, domestic violence, bereavement, trauma related to the Northern Ireland troubles, relationship problems or family conflicts. They may suffer from insomnia, stress, panic attacks or anxiety. Sorrow, pain, rejection, confusion or anger may be interfering with their day-to-day lives.

Accessing Counselling should not be viewed as a sign of weakness but rather as a 'sign of strength.' Acknowledging that we need support and help means that we can improve and become more at ease and at Peace with ourselves, avoidance of the problems can mean that resentments, anger and despair become embedded.

Please contact Helen Murphy on SEFF's Counselling service number if you'd like to know more: **07510068382** or if you'd prefer, please ring any of the team at the office on: **028 677 23884**.

Your enquiry and potential support through the service will be treated in strictest confidence.

SEFF also offers Counselling in other venues across Northern Ireland, please contact the SEFF office for further details.

BEFRIENDING November 2019 Update

Hi All,

As we approach the winter months, let's remember those around us that are on their own or are just not in a good place. These dark days and nights seem to trap us in our homes and prevent us from getting out and about so if you know of anyone in these circumstances please do reach out, even to point them in our direction.

Befriending is still going well, volunteers are kept very busy as usual. We are still keeping a tight eye on finances but the service was pleased to be the beneficiaries of some additional VSS funding, we will aim to get to and support as many worthy cases when we can.

SEFF's Luncheon Club is ongoing and we will continue to contact those within the SEFF membership who are eligible to avail of this, lunches usually happen every two months in different areas around Fermanagh and Tyrone and we target those local to the particular area hosting the Lunch.

Christmas Get Together - 5th December 2019 - 10:30am - 12pm - Come and enjoy some mulled wine and mince pies and hear all about our SEFF Book Shelf and check out some examples of the great books available.

The **Action Cancer Big Bus** will be back to SEFF, Lisnaskea on **Thursday 6th February 2020** - see detail on page 5 including a phone number and code to book your MOT Health Check or Breast Screening appointment.

Regards,

The Befriending Team

MORNING SEFF CALLING SERVICE UPDATE

Hello to all SEFF members, it is hard to believe that we are now in the last few weeks in the run up to Christmas 2019. This period of the year can be a very lonely and sad time for a lot of people. The short days coupled with long cold dark evenings are not something we enjoy. This year, an extremely cold and long period of snow has been predicted. Weather such as this can further isolate and keep us house bound.

For those of us that are already low in spirits, perhaps due to recent bereavement or already isolated because of physical or mental health or indeed financial issues, our thoughts and memories of happier times may surface. This in turn, may hi-light how our life and it's worth has gotten to this stage. We might question life's value and contemplate moving on from a place that appears to be dark and meaningless.

Christmas also can put added stress on normal family life financially. Commercialism and pressure to conform and buy those expensive presents and toys, may lead to our getting into debt through borrowing, "buy now pay later" advertising makes it look so easy, that is, until it's time to start paying back the loan. Before one knows it we are in this endless black hole with no light at the end of the tunnel.

This is, where by accepting a weekly phone call from MSC you can voice your worries to a trained listening ear. Talking through your problem could help you look at it from a different perspective, lightning the load might enable you to look your problem from another angle to see your problem in a different light.

We at [MSC](#) could refer you to one of our Health and Well Being Workers who in turn will contact you to make an appointment and discuss a way forward in solving the dilemma. It is carried out in a discreet and confidential manner.

So contact anyone within the SEFF office if you are interested in a phone call once a week on a Monday or Thursday and in turn they will pass your interest to me. I will then arrange a day and time that is suitable. We don't offer a miracle, however that contact might just help to ease your loneliness or worries. A problem shared is a problem halved, or so the saying goes.

And for those of you who may already avail of this service, take care and keep safe.

Please call the SEFF office on: 028 677 23884 if interested in receiving the service or if you wish to volunteer your time at any of the outreach offices where we aim to provide the service from.

Health & Wellbeing Day Respite Events

Through additional in year monies via VSS we are able to organise a number of day respite events per area- Fermanagh members, West Tyrone, South Down and South Armagh. One of the criteria's of the funding was to work in partnership and collaboration with other groups and so we have approached some like minded groups and have come up with the following proposals.

Each event will involve a day out with a health & wellbeing theme, please note these are very broad details at present but we will be able to give more information in due course.

West Tyrone Members in partnership with Castledearg UDR Association Respite Day- Wednesday 19th February 2020

The day will involve a visit to Armagh where we will begin with refreshments and a health themed workshop, we will then take in the Regimental Museum, County Armagh Phoenix Group's memorial wall dedicated to security force personnel murdered during the 'Troubles' in County Armagh (the wall is situated in the grounds of St. Mark's Parish Church, Armagh). We will also have a walk round the Mall and some free time before heading homeward and stopping for dinner on the way home. If interested in attending please phone the office on 028677 23884, more specific detail will follow in the December newsletter.

South Down Members in partnership with Victims Lagan Valley Respite Day- Saturday 8th February 2020

South Down member's will be able to visit the Ulster, Folk and Transport museum at Cultra as well as having morning refreshments, a health themed workshop and depending on timings we may have some free time in Belfast. We will stop for a meal in the Hillsborough area on the way home. If interested in attending please phone the office on 028 677 23884, more specific detail will follow in the December newsletter.

Fermanagh/Armagh Member's in partnership FAIR Respite Day - Thurs 27th February 2020

If interested in attending please phone the office on 028677 23884, more specific detail will follow in the December newsletter.

SEFF alarmed by proposals to close Bennett House

After their recent Strategic Review the Royal British Legion have proposed to increase the number of case workers to help beneficiaries. In turn they plan to close the 4 UK Break Centres Alderson House, Bennet House, Byng House and Somerset Legion House along with the Handy Van Service.

The Break Centres provide an invaluable opportunity for members of the armed forces community to avail of an all-inclusive break for some well-deserved respite. Many SEFF members have availed of the opportunity down the years and have reported how invaluable they found those experiences to be.

By closing the Break Centres and Handy Van service many individuals and families will be deprived of services which respond to their needs. This is not a case of making way for new priorities, if something is working then there must be every effort to retain such services. SEFF will be campaigning for the retention of The Bennett House facility and stand ready to discuss with the Royal British Legion possible alternative options. This is the sole facility in Northern Ireland held by the RBL for respite are depriving veterans of these vital services.

Help save these fantastic facilities by signing the petition to stop what the Royal British Legion are proposing to do:

****Calling all avid readers****

We have started a new fundraising idea in SEFF which came about after we put a shout out for books to sell in the Tesco Book Stall. We now have many Book shelves crammed with all kinds of books in Unit 2 (just through the kitchen) so next time you are in the office why not take a few minutes to browse through the shelves and see what suits, all we ask is that you leave a donation in the bucket provided. Also if you have any books at home that you are finished with then we would be happy to take them off your hands and add them to our book shelf.
