We would like to congratulate our stars of the months Esther Ettah, Samuel Kazibwe, Christine Miriko and Zacharia Kisusa to thank them for their hard work. To show our appreciation of all there hard work, we took them out for a meal to congratulate them further. Well done again! If you're a hard worker this could be you next month!

We would just like to remind you that canceling your shift within 12 working hours is against our policy and due to this we are obliged to charge £50 per cancellation. Also, please keep record of all your booked in shifts as recently we have been getting a lot of carers double booking which is very inconvenient for us and the care homes.

The office staff would just like to say a massive thank you to all of the carers and nurses who help us when we're in need and continue to get good feedback from the care homes!
