

Prevent Policy Statement for the Caritas Diocese of Salford website

Caritas is fully committed to safeguarding and promoting the welfare of all its staff, volunteers and service users. As a charity we recognise that safeguarding against radicalisation is no different from safeguarding against any other vulnerability.

We recognise our responsibility to participate in such work and to safeguard the welfare of people by committing to practice in a way which prevents and protects people from being drawn into terrorism.

All staff and volunteers are expected to uphold and promote the fundamental principles of British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs. This is in line with the Government's counter-terrorism strategy.
