RECEPTION

WELCOME RECEPTION DESKS

You only get one chance to make a good first impression with clients and visitors, so having a high quality front office reception desk is essential and will add a contemporary presence to any reception area. Ensure the first point of call for your workplace features modern furnishings and accessories with a reception desk that will reinvigorate your entrance area and reflect your business.

Welcome is a stunning, contemporary design in white which shrouds an existing desk or can be bought with an 'Adapt' or 'Maestro 25' desk. An optional D-end extension adds to the reception unit to give greater access and additional desk workspace. Welcome also allows for a company name and graphics to be added and remote control lighting to match your corporate identity.

Desk Options

The reception unit shrouds an existing desk to provide a welcoming area for all visitors, from valued customers to prospective new starters arriving for an interview

Desk Extensions

The extension table is a classic design piece that adds to the reception unit for a larger desk area, striking the right balance between interior design and furniture solutions

LED Lighting

Add remote control lighting and cycle through the colour spectrum, or simply select a colour to match your corporate identity with the press of a button

Company Branding

The Welcome reception desk has ample room at the front of the desk to add your company logo or graphics to the front, including vinyls, acrylic lettering and much more

Finish Options

Colours available in Beech / White, Walnut / White and White / White

DENVER

MODULAR RECEPTION UNITS

The reception area is of critical importance for any business. It needs to be a welcoming space for all visitors, from valued customers to prospective new starters arriving for an interview. But the reception area is also where every office day begins for all employees and it should inspire them to be proud about where they work and reassure people that you mean business.

Denver is a flexible modular unit that can be arranged in a variety of configurations with the desk and hutch units to create a commanding reception feature that will make a good first impression with clients and visitors. Available in a beech finish, cables are managed from the hutch to the desktops with classic design pieces that will create a lasting visual message.

Modular Design

Modular reception desks designed for bespoke projects are also becoming increasingly popular as more and more companies realise the significance of the reception area

Space Storage

The reception units come with adequate storage so the area appears uncluttered, there's plenty of room to work and important documents can be kept safe and secure

Cable Management

Cables are managed from the hutch to the desktops with classic design pieces and technology integration so wires are not exposed to visitors and looking untidy

Multi-Functional

Create multiple desk configurations where many important tasks carried out such as answering phone calls, receiving and sending letters, and of course welcoming visitors
