Interspan Global Logistics

Air Freight

To complement our European logistics and deep sea services, we are also able to offer competitive airfreight services to our clients working with tight deadlines.

Our staff have a vast knowledge of handling worldwide airfreight consignments in all shapes and sizes to/from all major international airports.

We offer door to door or door to airport consolidation services. In addition to this, we also offer express courier services and documentation couriers to all destinations.

For import shipments, we offer clearance and delivery from all major UK airports.

We also have our own deferment facility to ensure your consignments are delivered in the fastest possible time.
