### Collagen

#### Anti-Wrinkle

Created with Marine Collagen which is quickly absorbed into the skin on the face and neck. Provides an immediate tightening effect, reducing and plumping out fine lines whilst replenishing tired tissue and leaving the face much smoother with an improved elasticity and youthful firmness.

### Herbal

#### Anti-Acne & Sensitive Skin

The astringent properties work to purify and tighten open pores. Balances and stabilises the skins pH whilst reducing the excessive production of oil and sebum.

The specific blend of ingredients such as Orris Root cool and comfort the skin and gives a refreshed complexion, reducing redness and sensitivity.

### Skin-Lite

#### Brightening the skin and treating uneven skin tones and pigmentation

This mask used alone offers a radiant complexion, excellent as part of any facial routine. Containing combined natural ingredients, Grape Extract and Mulberry Root Extract to maximise the effects on the skin. The mask also contains plant extracts such as Saxifraga and Scutellaria, these have been used around the world for many years as they help to give a radiant complexion, eliminate free radicals and reduce pigmentation. The mask can be used along with other Skin-Lite products to reduce and prevent pigmentation and lighten the skin, as part of the Silhouette Skin-Lite regime.

### Repair Complex

#### Anti-Ageing for the 45-50+

The latest in anti-ageing formulae, incorporating the new ingredient Glycine Soja (Soybean) and Germ Extract. The action of these natural Phyto-Estrogens can prevent and repair the skins natural Collagen chain degradation, whilst protecting the skin and its cutaneous cells. Additionally providing the skin with the necessary energy to fight against the signs and effects of ageing and environmental damage. Makes ageing skin smooth, firm and younger looking.

### Bofusion

#### Diminishing Lines & Wrinkles

Bofusion Mask Treatments deliver a most luxurious and unique solution in the treatment of mature and stressed skin. The Bofusion Mask's exceptional and dedicated formulae softens the appearance of lines and wrinkles by relaxing those sub dermal facial muscles which help to create and support the lines that appear on the face and neck. Its essentially dynamic active ingredient is an age reversing peptide, which effectively blocks the enzyme responsible for muscular contractions. As the Bofusion Mask's vital function starts to be activated a visual tightening of the facial tissue will occur, plus facial lines and wrinkles will begin to diminish. Comprehensively your skin will take on a new and more youthful texture and appearance, with improved elasticity and glow.

# skin-lite

## Skin-Lite

Brings Radiance &  
Balance To All Skin Tones

Silhouette Skin-Lite is a comprehensive and dedicated range of interactive treatment products. The blending of specific active ingredients in its formulations will maximise results when fighting the signs of ageing and skin damage, plus providing a fresh youthful radiance to the skin that ordinary cleansers, toners & creams fail to provide.

Over exposure to the sun, pollution, acne, pregnancy and the ageing process will in many cases initiate skin discoloration, age spots, dull, mottled & lined unattractive skin. Whether your clients wish to treat and remedy these types of conditions, or simply to have a bright and fresh reflective complexion, the Skin-Lite range of products will comprehensively provide the answers.

## Skin-Lite Foaming Cleanser

### Maintains The Skins Equilibrium

This special formula contains active ingredients, which create a rich and soft foam. It will gently but effectively emulsify and remove sebum, make-up and impurities, whilst maintaining the skins vital equilibrium, essential in anti-ageing skin care routines. This action will leave the skin fresh and fully prepared for further treatments.

When wishing to maximise a treatment for mottled uneven skin tones, pigmentation or professionally providing a more youthful radiant finish to a facial, Skin-Lite Foaming Cleanser will deliver the answer. Or as an essential & integral step in a skin whitening facial regime.

**Suitable for all skin types.**

**Contains: Fruit extracts & Cucumber**  
**Available in 400ml (Professional)**  
**& 125ml (Retail)**

## Skin-Lite Toner

### Non Drying Alcohol Free

An alcohol free toner containing both lightening and moisturising active ingredients.

Containing Lemon which acts as an astringent and antiseptic. Exfoliation is assisted by its AHA properties leaving the skin fresher & brighter.

Cucumber provides additional astringent action to improve tone & texture to the skin, closing the pores and firming up the epidermis.

It provides an instant feeling of freshness, will not irritate the skin, and will significantly assist in diminishing the appearance of fine lines. Ideally preparing the face for other skin care treatment in the range.

**Suitable for all skin types.**

**Contains: Lemon extract & Cucumber.**  
**Available in 400ml (Professional)**  
**& 125ml (Retail)**

## Skin-Lite Mask

### Brightening & Balancing Skin Tones

For brightening the skin and the treatment of uneven skin tones and pigmentation. This mask used alone offers a radiant complexion, excellent as part of any facial routine.

Containing combined natural ingredients, Grape Extract and Mulberry Root Extract to maximise the effects on the skin.

The Mask also contains plant extracts such as Saxifraga and Scutellaria, these have been used around the world for many years as they help to give a radiant complexion, eliminate free radicals and reduce pigmentation. The mask can be used along with other Skin-Lite products to reduce and prevent pigmentation and lighten the skin, only as part of the Silhouette Skin-Lite regime.

The Skin-Lite range will actively work to lighten the skin when used together as a specific treatment regime.

## Skin-Lite Ampoule

### Radiance & Pigmentation Reduction

Skin-Lite Ampoules contain a blend of herbal and biological ingredients. These work in synergy together, reducing the effects of tyrosinase which is responsible for Melanin synthesis (production).

Specifically developed to work singularly or in conjunction with the other Skin-Lite treatment products, combating irregular pigmentation marks, age and sun spots, leaving the skin with a new fresh radiance.

‘The blending of specific active ingredients in its formulations will maximise results when fighting the signs of ageing and skin damage.’

\* **Note: Skin-Lite Foaming Cleanser (like Skin-Lite Toner) is fully compatible when utilised with other Non-Dermafusion treatment products**

repair complex regime

# Repair Complex Phyto-Estrogen 45+

## Mask, Ampoule & Cream

The latest in anti-ageing formulas, incorporating Glycine Soja, (Soybean) and Germ Extract. The action of its natural Phyto-Estrogens can prevent and repair Collagen degradation, whilst protecting the skin and its cutaneous cells. Additionally, it provides the skin with the necessary energy to fight against the effects of ageing and environmental damage.

## Skin Ageing & Phyto-Estrogens

**Repair Complex, vitally essential for the maturing skin in post Menopause women, or women who have reached the age of 45+.**

The Repair Complex regime works to stop the signs and effects of ageing, such as skin dryness, fine lines and wrinkles, tissue thinning, skin redness and poor circulation when the body starts to lose its estrogens, which in turn weakens the body's own Collagen mantle.

Repair Complex is extremely rich in Soya and Germ Extract, both classed as Phyto-Estrogens. These exceptionally valuable ingredients protect the skin whilst mimicking the Estrogens which are naturally being lost, thus preventing the degradation of your body's own collagen.

Research has found that where quantities of Phyto-estrogens are incorporated into certain products, the ageing signs are greatly reduced and somewhat reversed.

## How Does It Work?

**Soy contains a large amount of Phyto-Estrogens. Thanks to its phenolic core and hydroxyl grouping, its natural molecules mimic the female hormones called estrogens.**

As a female ages the amount of Estrogens decrease, particularly in a rapid manner after Menopause.

Phyto-Estrogens assist in preventing this deterioration and greatly reduce the various phenomena leading to skin ageing.

'Its natural Phyto-Estrogens can prevent and repair Collagen degradation, whilst protecting the skin and its cutaneous cells.'

# peeling & exfoliation

A close-up, profile view of a woman's face with her eyes closed, set against a soft, out-of-focus green background. The text 'peeling & exfoliation' is overlaid in the upper left corner.

## AHA - Active Peeling & Brightening

**Prepares the way for new skin growth.**

Its specific formulation of 10% Glycolic acid, rich in fruit extracts, such as Grapefruit and Lemon provides an effective peeling program for all skin types.

For most people the unfortunate signs of ageing arrive in a variety of ways:

The skin becomes tired, dull and mottled.

It loses its elasticity and tone.

The epidermis becomes dehydrated, fine lines appear and wrinkles deepen.

### Its action :-

- Removes the thickened upper horny layer
- Rejuvenates the production of Collagen and Elastin
- Improves elasticity and tone
- Leaves a fresh radiant complexion
- Improves the moisture level of the epidermis
- Diminishes pigmentation and spots
- Creates stimulus to the new fresh skin
- Sheds away uneven skin texture

## Enzymatic Peeling Mask

**A new and innovative approach to skin peeling.**

The Enzymatic Peeling Mask has been formulated into an exclusive and contemporary powder mask. Its active ingredients (Papaya & Pineapple) are derived from natural fruit enzymes. Its action is not mechanical but biological, therefore making it extremely effective for all skins, including very sensitive ones.

This Enzymatic Peel delivers an exceptionally efficient and smooth exfoliation, removing the skins cornea coat and stimulating the fresh oxygenation action to the skin, leaving it smooth, fresh and brightened.

Use as a single treatment, or as a first step to a multi step facial regime.

### Active Ingredients:

Papain is extracted from Papaya & Bromelain from the Pineapple, forming in synergy an extremely effective enzymatic peeling action.

These vital and active enzymes have a proteolytic action, which means they are able to digest the skins inactive proteins. When applied to the skin in the manner of this mask the cornea coat is removed, eliminating dead skin cells and re-oxygenating the new epidermis as its protein digestive action continues.

The refreshed and renewed skin will present a more youthful, fresher and smoother dimension.

## Kiwi Skin Perf ct

### Dual Action Cleanser & Exfoliator

Developed as a gentle yet effective dual action cleanser and exfoliator, Kiwi Skin Perf ct helps reduce the dead skin cells that build up on the face over a period of time. It is these dead skin cells that form the Horny Layer (Stratum Corneum) which, if not exfoliated can lead to a dull, lack-luster complexion. Kiwi Skin Perf ct aids in the shedding of these dead skin cells by gently eroding the cells away, presenting a brighter, less patchy complexion and aiding in the cellular rejuvenation process. Also contains Hydrolysed Elastin to help the newly rejuvenated skin attract and retain moisture to smooth and soften the skin.

250ml & 100ml.

**\*Gentle enough to be used on a daily basis.**

# luxury body treatments

## Bust Firming Mask

**The most frequent problem for the breast is the loosening of the skin tissue which covers and surrounds each breast.**

The breast begins to drop as the skin loses its tonicity (tone or condition). This condition and appearance is caused mostly by the skin's inability to maintain its younger hydrated state.

This newly developed Bust Mask is manufactured from a soft and ultra supple vegetal material. This contour hugging material carries its extremely effective active ingredients, delivering an action to infuse and hydrate the skin. The results can be seen and appreciated in a very short time.

The skin of the breast area will improve with greater hydrated elasticity and texture if used on a regular basis.

### Active Ingredients

#### Soy Proteins:

Short term = Brings to the skin a higher nutrient level to assist in skin renewal

Long term = Reactivates the skin's cellular metabolism

Soy proteins increase the cells' energetic potential, helping the skin to actively fight against ageing.

#### Pueraria Lobata Extract:

A plant extract which is renowned for its excellent firming and tightening properties.

## Slimming Gel

A highly pro-active conductive slimming gel containing Grape Leaf, Ginseng, Caffeine and Butchers-Broom extracts.

These extremely active ingredients create a micro-stimulation to the fatty areas of the body creating a diuretic effect and encouraging waste materials and toxins to exit the body. Additionally tightening the cutaneous tissue, leaving the skin smoother and with a much improved balanced tone. 250ml

**\*Apply manually after bathing, or by salon galvanic treatment application.**

## Cellulite Gel

Soybean and Germ Extract combine, to repair skin degradation, re-hydrating the epidermis and preventing the formation of wrinkles and lines. Ideal for use (in salon) with the Repair Complex Mask and Bio-Ampoule.

The combined dynamic action of these natural Phyto-Estrogens products protect the skin from environmental damage and encourages cell renewal, providing a much improved more youthful skin. 50ml & 250ml

## Green Tea Cream

### Re-Hydrate & Protect

Green Tea Cream contains one of nature's most powerful anti-oxidants which provide actions to remove and protect against impurities (free radicals) that attack the skin on a daily basis. Free radicals block and dehydrate the skin, creating fine lines and wrinkles and preventing it from appearing fresh and healthy. The skin needs to regenerate and produce fresh skin cells if it is to feel taut and firm.

This particular Green Tea Cream formulation contains powerful hygroscopic properties which re-hydrate the skin. Firstly having removed the free radicals it will then act upon the epidermis boosting its cell replenishment process. Finally, this Green Tea Cream will protect against any future attacks from free radicals, providing and maintaining a much improved healthier complexion. 50ml & 250ml

## Kiwi Skin Perféct

### Dual Action Cleanser & Exfoliator

Developed as a gentle yet effective dual action cleanser and exfoliator, Kiwi Skin Perféct helps reduce the dead skin cells that build up on the face over a period of time. It is these dead skin cells that form the Horny Layer (Stratum Corneum) which, if not exfoliated can lead to a dull, lack-luster complexion. Kiwi Skin Perféct aids in the shedding of these dead skin cells by gently eroding the cells away presenting a brighter, less patchy complexion and aiding in the cellular rejuvenation process. Also contains Hydrolysed Elastin to help the newly rejuvenated skin attract and retain moisture to smooth and soften the skin.
