# Why join “The Chamber”?

Any individual, partnership, association or corporation interested in the general welfare of New City is encouraged to join the Chamber.

## **building relationships**

Whether it's networking through our many community events like our annual Street Fair or serving on a committee, people like doing business with people they know.

## **taking care of politics**

We'll make sure your voice is heard on important regulatory, legislative, and educational issues that directly affect your business.

## **seen and heard**

We offer many marketing and promotional opportunities through our events, website, social media, email, ribbon-cutting ceremonies, and making the connection to our elected officials. Your business will be able to tap into your target market more effectively as we provide hundreds of member referrals every year.

## **for members only**

Increase your purchasing power with discounts on marketing promotions, street fair participation, and other perks.

## **commitment to your community**

Let people know that you're a leader in the community and raise your credibility and reputation. Be heard. Support the New City business community to ensure its strength and longevity.
