

71ST INDEPENDENCE DAY CELEBRATION

Indian Steel Corporation Ltd.

INDIAN STEEL CORPORATION (BHIMASAR)

- The 71st Independence day was celebrated with great enthusiasm at Indian Steel Corporation limited (Bhimasar).
- Chief Guest Shri Arunava Lahiri (President Works) unfurled the Tri-colour at 0945 Hours.
- He highlighted the significance of celebrating such occasions just like the religious rituals we follow to commemorate important events in our personal lives.
- He further added that the Freedom was earned with great sacrifices by people like Netaji Subhash Chandra Bose, Mahatma Gandhi, Abul kalam Azad, Pandit Nehru and scores of freedom fighters who could easily have led comfortable lives as they were ICS, Lawyers, Advocates, Educationists etc but they chose to fight for the common men and generations to come.
- He asked everyone to introspect if we are doing anything to make life better for generations to come. In fact we are degenerating into valueless self centred crowd having no sense of responsibility reminiscent in our behavior.

- Quoting one incident of road side accident where people kept making videos and sharing on social media highlights the sort of callousness we display in our conduct is very sad.
- He said one freedom has been achieved but we need to break shackles of abject poverty, illiteracy, religious bigotry etc to earn freedom from social evils like girl child infanticide, inequality etc.
- He also urged each and every one to ask kids to read books like **Freedom at Midnight** to know the history of freedom struggle and act as responsible citizens in maintaining cleanliness and not to harm the environment.
- He also dwelt upon the tough business environment in which we are operating and expressed hope that we can emerge from it if we move hand in hand as a team.
- The program concluded with Tea & snacks after prize distribution.
