We are headquartered in Bridgewater, NJ with operations in the U.S. and U.K and customers around the globe.

### **The Role:**

We are looking for a successful Channel Partner Manager to develop, service, and grow relationships with an increasing roster of industry sales and implementation partners. The successful applicant will have demonstrable success in strategic relationship management and business development. This is a great opportunity for the right individual to be a part of a high-caliber team in a fast-paced entrepreneurial environment.

### **Responsibilities:**

- Develop and maintain partner and prospective partner relationships.
- Craft and implement channel sales strategies.
- Negotiate contracts and growth plans with current and prospective channel partners.
- Develop and deliver appropriate training for channel sales teams.

### **Experience:**

- At least 5 years of experience in senior channel or account management / development roles.
- Successful track record in building long-term strategic commercial relationships.
- Ability to manage senior stakeholders both internally and externally.
- Possesses excellent written and verbal communication skills.
- Must be self-starter, independent and motivated, while also a real team player.

### **Education:**

- Minimum of Bachelor's Degree preferred, however, we are willing to consider applicants without a degree whose work experience and outstanding performance make them a compelling candidate.
