Press Release

November 2014

Subject: New Fragrance Bottle Standard – Urban

Continental Bottle Company is pleased to announce a new Fragrance Bottle Standard that has been introduced to our collection.

The Urban collection does not shy away from graphic elegance, playing the angular geometric card, which evokes the mathematical precision of contemporary architecture. With its rectangular section, a horizontal shoulder construction, elegant glass columns and a thick glass base. Urban reveals pure and harmonious lines, available in 50 and 100ml formats. For ultimate personalisation and even more uniqueness CBC are able to offer a complete decoration service.
