Machinist II

Full-Time, 5:00 a.m. ~ 3:30 p.m., Monday ~ Thursday

As a global leader in the material handling industry, KEITH Mfg. Co. is dedicated to exceeding customer expectations with innovative and outstanding products and service. With programs like our Service Clinics, Troubleshooting assistance and 2-Year Warranty Program, KEITH® strives for an excellent customer relationship going above and beyond the industry standard. The KEITH® passion for innovation and product development ensures that we provide our customers with products that are consistently *SUPERIOR BY DESIGN*.

PERSON & POSITION:

A machinist at KEITH Mfg. Co. performs machine set-up and operates conventional, special purpose, and computer numerical control (CNC) machines and machining centers. We are looking for someone experienced and able to calculate and set controls to regulate machining factors such as speed, feed, coolant flow, depth and angle of cut, edit computerized machine control media and use measuring tools. A KEITH Mfg. Co. Machinist is responsible for checking accuracy of work and verifying dimensions and alignment of assembly. All KEITH Mfg. Co. team members work safely and efficiently. They also meet agreed upon goals in a timely manner and arrive to work, meetings, and appointments, and other work-related functions on time as scheduled.

MINIMUM QUALIFICATIONS:

- Previous verifiable experience required
- Maintain a “Customer First” mindset for productivity and quality
- Demonstrate complete understanding of CNC controls and programs
- May be required to pass employer performance tests
- Be able to study sketches, drawings, and specifications to determine dimensions and tolerances of finished work pieces
- Be able to stand 8 to 10 hours at a time
- Be able to lift up to 25 lbs.
- Additional requirements may apply

COMPENSATION & BENEFITS:

- Medical, Dental, Vision Insurance and Pharmacy
- Paid Time Off and Holidays
- 401(k) Retirement Plan (Team member contribution only)
- Life and Short Term Disability
