

# Nano Ceramic Quartz Surface Coating

---

Hydrophobic Surface Coating that's glossier  
and tougher than ever.

Ultimate Gloss, Ultimate Protection.  
Carbon Coat is the ultimate surface coating.

## Ⓐ Enduring Gloss Like No Other

- Deepest glass like finish – locked in for good
- Nano Ceramic Quartz Technology.

## Ⓑ Durability, Resilience & Hardness

- Carbon Coat creates stain resistant barrier that's super tough & durable - inside and out.
- Tested to 9h<sup>+</sup> on Mineral Hardness Scale. Ultimate durability and abrasion resistance.

## Ⓒ Total Interior Protection

- Enduring protection for leather, vinyl, plastic, fabric and carpets.
- Resists staining from drink and food spillages, dirt, scuffs and prevents UV fading.
