

2017 NOVEMBER

MONTH IN REVIEW

FRIENDS VOLUNTEER

Life-long friends, Margaret, Laurie, and Rhonda shared a delicious fried chicken lunch and beautiful smiles with our guests.

FEASTING FUN

A joy-filled group from Riverside Community Church provided a Thanksgiving-style feast for our guests, complete with lots of warm smiles and wishes for the holidays to come.

FULL OF THANKS

"Thankful" board made by Sue Setter set the stage for guests to add leaves with expressions of gratitude. One noted, "thankful that with each passing storm the more I learn and grow."

COOKING FOR OUR GUESTS

Girl Scout Troop 3575 made ham and broccoli quiche during their troop meeting. Front row: Hannah, Heidi; back row: Maggie, Korie, Alishea, Carol.

GRAND SLAM!

Field Fastener staff knocked it out of the park! They brought a delicious lunch, large donation of items collected at their office, and a check from Field management to match the value of their donations! Back row: Doug, Zach, Tim, Dan; front row: Christy, Sandy, and Cathy from CP accepting the check.

CARRYING ON TRADITION

Hononegah High School freshmen collected and delivered an over-the-top amount of greatly-needed items. Surely, the class of 2017, who started this tradition with CP as freshmen, is very proud of them!

BIG HEARTS, BIG THANKS!

The kind and caring Rockford Systems team delivered an extraordinary donation of cash and assorted cleaning supplies, personal care items, food and more!

BREAKFAST BREAK

With a day off of school, the Watson family, Heather, Lisa, Victoria and Kevin, provided a hearty breakfast for our guests.

FURRY FRIENDS

Biscuit and Muffin usually come one at a time, but with mom and dad both available for escorts, we had double the fun with a visit from both!

TEACHING COMPASSION
 Long-time volunteer electrician, Scott, found a creative way to teach his grandsons, Max and Leo, the importance of helping others. He gave each \$10 and the CP needs list, then took them to Dollar Tree and told them to buy things on the list. They were happy and proud they could help others.

CELEBRATE!
 Dave lives in our Success House, has a full-time job, and does volunteer work at CP! It was a joy to celebrate his birthday! We pray the year ahead is filled with continued success!

CARPENTER'S CIRCLE
 CP executive director, Kay, was happy to present Jake of the Flossie Foundation with a Carpenter's Circle recognition award for their extraordinary support of the CP mission.

TURKEY MASTER
 So proud of our housing guests for making every part of their Thanksgiving meal. Charlie did a stellar job on the turkey!
