WALK-THRU & OBSTACLES

If a conflict with another ring or other show events is imminent, handlers may request to walk with a height group other than the one their dog is entered, but walking and/or running with an earlier group is preferred.

Obstacles will conform to the current requirements of the Agility Regulations. All jumps are displaceable.

A warm-up area, consisting of a regulation agility jump, shall be provided for all exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

DOGS MUST BE ON LEAD AT ALL TIMES OR CONFINED TO A CRATE OR EXERCISE PEN, EXCEPT WHEN COMPETING, OR WITHIN THE WARM-UP RING AREA.

PLEASE CLEAN UP AFTER YOUR DOG!

EXHIBITOR INFORMATION

Dogs qualifying at this titling event, receive credit toward their title. A recording fee is included with entry fees.

For single copies of the Regulations for Agility Trials, write to the American Kennel Club, 8051 Arco Corporate Drive, Suite 100, Raleigh, NC 27617-3390 or www.akc.org

JUMP HEIGHT CARDS

All dogs competing in agility must possess an official AKC Jump Height Card. An official AKC Jump Height Card is defined as either a permanent jump height card, a valid temporary jump height form, copies of two different measuring forms (placing the dog in the same height class) dated on or after the dog's second birthday, or copies of three different measuring forms (two of which place the dog in the same height class) dated on or after the dog's second birthday.

Dogs that do not have a valid Jump Height Card must be measured by a judge of record for that trial and will only be effective for that set of trials, excluding the dogs jumping in the 24-inch division. If an AKC Field Representative or a Volunteer Measuring Official (VMO) is present, all dogs that have not been issued a permanent Jump Height Card or temporary jump height (yellow) form must be measured for a Jump Height Card regardless of the jump height entered. If a dog is measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately for any future runs. This does not apply to a challenge measurement for a permanent jump height card. Misrepresentation of a dog, including altering information on a Jump Height Card, is grounds for misconduct. Exhibitors should carry the original valid official Jump Height Card at each trial to present upon request;

HEIGHT DIVISIONS

Owners are responsible for entering the proper height division. All height divisions will be offered in both the Standard and Jumpers with Weaves classes. Dogs in Preferred classes MUST jump their measured height and may not jump in a higher height or any qualifying scores or placements will be disallowed. Effective, January 1, 2010, a dog that is measured down is now eligible to jump in a lower height class, the measurement is effective immediately for any future runs. This does not apply to a challenge measurement for a permanent jump height card.

|-----------------------|------------------------------|--------------------------------|
| 11" or less | 8" | 4" |
| 14" or less | 12" | 8" |
| 18" or less | 16" | 12" |
| 22" or less | 20" | 16" |
| Greater than 22" | 24" | 20" |
| At Owner's Discretion | 24"C | n/a |

NOTICE TO EXHIBITORS

This trial will be conducted in accordance with the Rules for Agility Trials.

Fees must accompany entries. Exhibitors are responsible for complete, accurate and legible information on their entry forms. Entries are taken on a first received basis. A returned check will invalidate an entry and a \$30.00 service fee will be charged. Subsequent returned checks from the same exhibitor may result in their being put on a CASH ONLY basis for all CKC and or FRAAD events.

Telephoned, Faxed, or unsigned entries cannot be accepted. Entries not on official AKC entry forms and photocopies of entry forms without the agreement and rules on the reverse side of the official AKC entry form are not acceptable. No entry shall be made and no entry shall be accepted which specifies any conditions to its acceptance. Entries sent via express mail service, must be indicated "NO SIGNATURE REQUIRED."

Entries cannot be accepted, cancelled, altered, or substituted after the entries have closed except as provided for in chapter 11, section 6 of the Dog Show Rules. Changes, additions, or corrections to entry forms must be received in writing prior to the close of entries. Those received by telephone are not acceptable. There is no refund for duplicate entries. Every effort will be made to find all duplicate entries, but if the entry has been processed, no refund will be made.

Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, barred from competition by action of the Trial Committee. Overpayment of entries \$5 and under will not be refunded. Bitches in season are not permitted to enter the trial. Entry fees for bitches that come into season before these trials take place will be refunded provided the Trial Secretary receives notice in writing or thru email 30 minutes prior to the start of judging. A \$5 per day processing fee will be withheld for entries withdrawn due to a bitch being reported in season. Any other withdrawals after the closing date will not be eligible for refund. No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, violent acts of nature, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.

Front Range Agility Association of Denver (FRAAD) and Colorado Kennel Club (CKC) may decline any entries for cause and may refuse to receive or may remove any dog on account of disease, viciousness or other cause, and no one shall have any claim or recourse against FRAAD/CKC or any official thereof. FRAAD/CKC and their agents, employees, etc., assume no responsibility for any loss, damage, or injury sustained by exhibitors, handlers, or their dogs, or property and further assumes no responsibility for injury to guests and/or children. This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds, that are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes. Fees must accompany entries.

Absolutely no puppies under 4 months of age are allowed on the agility trial grounds.

Safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and are able to perform all of the obstacles safely.

All regulations governing the use of this facility, and all regulations and decisions of the trial committee at this trial will be strictly enforced, including and not limited to the recorded information of this premium list.

All dogs must be on leash at all times except when in the ring or when in the designated warm-up area. It is expressly understood that the exhibitors alone are responsible for the behavior of their dog(s), guest(s), and children. Any exhibitor whose dog(s), guest(s), and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, will be asked to leave the trial site. In such case, no refund of fees paid will be made.

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule.

The owners or handlers of each dog are solely responsible for being ready at ringside when the class is to be judged. The trial giving club and the Trial Secretary have no obligation or responsibility for providing service runners or public address system for the purposes of locating or calling dogs that are not brought to the ringside when required.

"Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations."

There will be limited crating area available inside the building. The Show Site Committee reserves the right to alter crating arrangements for space purposes. Exhibitors are responsible for the conditions in and around their own crate. No dogs will be permitted in restrooms or to stay overnight at the show site.

In consideration of others, you will be expected to clean up after yourself and your dog(s) at the trial site. Your cooperation in this matter is appreciated.

For exhibitors coming from out of state, please remember you are coming to a higher altitude, which can affect health.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

INSTRUCTIONS TO ENTER VIA AKC's ONLINE ENTRY SERVICES:

**FRAAD AND CKC NEED YOUR HELP!
WE NEED VOLUNTEERS**

**We need your help to make this trial a success!
We are willing to train, just let us know!**

If you would like to volunteer to work this trial, the trial secretary will be emailing a Google Docs link to all exhibitors around the closing of the trial. This link will take you to an online form that allows you to sign up for any class you wish to work. If you are unable to sign up online, please email Sheri and she will help to get you signed up.

**Please direct questions to:
Sheri John
carousel6@comcast.net**

A future CKC entry voucher will be provided to volunteer workers. Due to NWSS food concessionaire policies the worker vouchers will not be good towards food purchases.

Starting January 1, 2017, \$4 worker vouchers will be good towards food at a given trial or future entries of the **same venue only**. In other words, if a worker earns vouchers at a FRAAD AKC trial, that worker can only use those vouchers for a future FRAAD AKC trial, not for DOCNA or USDAA, etc. **We are accepting both FRAAD AKC and CKC volunteer vouchers for this trial!**

THANK YOU from the CKC and FRAAD Trial Committee!!!

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
